

HELLENIC REPUBLIC
PUBLIC DEBT MANAGEMENT AGENCY

PRESS RELEASE

FOR IMMEDIATE RELEASE

11 April 2012

Athens, Greece: The Hellenic Republic today announced that it had completed the exchange of €20,270,573,914¹ outstanding principal amount of bonds comprising (a) the foreign law governed bonds and bonds issued by state enterprises and guaranteed by the Republic for which the proposed amendments were passed during the relevant bondholder meeting and (b) all other foreign law governed bonds and bonds issued by state enterprises and guaranteed by the Republic which were tendered for exchange by 9:00 pm CET on 4 April 2012, except those bonds for which the relevant bondholder meeting has been adjourned to 18 April 2012 as reported on 2 April 2012. Schedule I sets forth the aggregate principal amount of each series of bonds exchanged on 11 April 2012.

Schedule II below sets forth the aggregate principal amount of the new bonds, aggregate notional amount of GDP-linked securities, aggregate principal amount of PSI Payment Notes and aggregate principal amount of Accrued Interest Notes delivered to the holders of the bonds exchanged at settlement on 11 April 2012.

¹ Based on principal amounts of each series outstanding as of 24 February 2012. On 24 March 2012, €2,500,000 principal amount of ISIN GR2000000254 was amortized in accordance with its terms.

Schedule I

Foreign law governed bonds and bonds issued by state enterprises and guaranteed by the Republic exchanged on 11 April 2012
