- 10.1 Obligations of the Issuer. The Issuer shall fulfil all obligations stipulated in this paragraph 10.1 as from the Issue Date and throughout the Term of the Loan; provided, however, that paragraphs 10.1.2, 10.1.5, 10.1.6 and 10.1.7 shall terminate upon the expiry of the Issuer's Conversion Option Period.
- 10.1.1 Capital reductions and own Shares. The Issuer shall not (i) effect any capital reductions except to cover losses or to carry out reductions pursuant to paragraph 7.1, or (ii) purchase own Shares, including initiating new share buy back programs, if such purchase will constitute a violation of the Act on State-funded Capital Injections. The Issuer may not sell own Shares on terms and conditions that are more burdensome for the Issuer than market terms unless it is necessary to do so in order to honour the Issuer's employee stock option programs.
- 10.1.2 Issue of share options etc. The Issuer may not issue share options, warrants, convertible debt instruments or similar instruments on terms that are less favourable to the Issuer than market terms, unless such issue is part of a general employee scheme.
- 10.1.3 Dividends and redemption of subordinated debt. The Issuer may not at any time pay dividend, repay or buy back any debt that is subordinated to the Notes or purports to

rank *pari passu* with the Notes or other Hybrid Tier 1 Capital where (i) any Coupon that is past due remains unpaid or (ii), if relevant, Coupon has not been paid in full on two consecutive Fixed Coupon Payment Dates following an Alternative Coupon Payment Event or the date on which a cancellation of Coupon, see paragraph 6, has occurred. Notwithstanding the aforementioned, the Issuer may purchase debt that is subordinated to the Notes or purports to rank *pari passu* with the Notes or other Hybrid Tier 1 Capital to its trading portfolio (*handelsbeholdning*) in order to meet purchase orders from the Issuer's customers in respect of the Issuer operating as a "market maker".

10.1.4 Liquidation. The shareholders of the Issuer may not approve any resolution to liquidate the Issuer unless where such liquidation is required by law.

10.1.5 Merger and demerger. The Issuer may not enter into a (i) merger agreement (*fusionsplan*), and the shareholders of the Issuer may not approve such merger agreement, if the valuers declare pursuant to section 134(c) of the Danish Companies Act (*aktieselskabsloven*) that the consideration paid for the Shares is not fair and reasonable, or (ii) demerger agreement (*spaltningsplan*) if such agreement may have a material adverse effect on the Danish State's interests.

10.1.6 Delisting. The Issuer may not request for a delisting of the Shares from the Stock Exchange.

10.1.7 Other. The Issuer may not carry out any transaction or take any other action which would imply that in the event of a conversion of Coupon or Notes pursuant to paragraph 5 or 11 the economic value of the ACPE Shares or the New Shares to be received following the determination of the ACPE Reference Price or Reference Price is less than the value of such ACPE Shares or New Shares (respectively) had such transaction or action not been executed or carried out.

11. ISSUER'S CONVERSION OPTION AND OBLIGATION

11.1 Issuer's Conversion Option. For a period of up to and not including the first day of the sixth year from the Issue Date (the "Issuer's Conversion Option Period"), the Issuer may at its discretion and at any time require that Notes be converted at the Denomination of the Notes, with the addition of any accrued and due but unpaid Coupon on the Denomination, in individual tranches of 20 per cent of the Original Number of Notes into New Shares of the Issuer, if the Issuer's Hybrid Tier 1 Capital Ratio exceeds 35 per cent (the "Issuer's Conversion Option").

- 11.2 Tranches. The Issuer's Conversion Option may only be exercised in individual tranches of 20 per cent of the Original Number of Notes at a time, unless a conversion of more than one tranche of 20 per cent is necessary to bring the Issuer's Hybrid Tier 1 Capital Ratio (including with the effect of the conversion) to a level at or below 35 per cent, in which case the Issuer may exercise the Issuer's Conversion Option in two or more tranches of 20 per cent of the Original Number of Notes as is necessary to bring the Issuer's Hybrid Tier 1 Capital Ratio (including with the effect of the conversion) to a level at or below 35 per cent.
- 11.3 Implementation of Conversion. The Issuer's Conversion Option shall be implemented by way of a proportionate reduction and cancellation of the holding of Notes on all accounts with VP in accordance with the from time to time procedures of VP. In exchange for a valid issue of New Shares, the Noteholder(s) will after the Settlement Date cease to have any claim in respect of any Notes converted. To the extent only part of the Notes has been converted, Coupon will continue to accrue in accordance with the terms hereof on the Denomination of the remaining outstanding Notes. The Noteholder(s) shall be obliged to subscribe for the New Shares in the form and manner and to the extent required under applicable law.
- 11.4 Number of New Shares. The Notes to be converted pursuant to the Issuer's Conversion Option shall be converted into a number of new Shares ("New Shares") in accordance with the following formula:
- New Shares = The sum total of the Denomination of all of the Notes to be converted with the addition of any accrued and due but unpaid Coupon on such Notes divided by the Reference Price.
- 11.5 Rounding. If the Denomination of the Notes which are converted does not correspond to a whole number of New Shares in respect of any account with VP, the number of New Shares shall be rounded downwards to the nearest whole number. No fractions of New Shares will be delivered on conversion. Any balance on the Notes which may thus not be converted into New Shares, shall be paid in cash at par value of the Notes in connection with the conversion in accordance with the from time to time standard procedures of VP.
- 11.6 Reference Price. The reference price ("Reference Price") expressed in DKK per Share shall be calculated as set out in paragraphs 11.6.1 - 11.6.3:
- 11.6.1 No Price Sensitive Information. If the Issuer (i) is not in possession of Price Sensitive Information on the Conversion Announcement Date, (ii) has not been in possession of Price Sensitive Information within the last 5 consecutive Trading Days (and any other day within that period) prior to the Conversion Announcement Date, and (iii) do not believe or foresee, after having made due enquiry into the business, assets, liabilities, condition (financial or otherwise), results, and operations of the Issuer and the Issuer's

Group, that it will become in possession of Price Sensitive Information within the first 10 consecutive Trading Days (and any other day within that period) after the Conversion Announcement Date, the Reference Price shall be calculated in accordance with the following formula:

The Volume Weighted Average Price of the Shares calculated over a period of three (3) consecutive Trading Days before the Conversion Announcement Date (excluding the Conversion Announcement Date) minus 5 per cent.

- 11.6.2 Price Sensitive Information. If paragraph 11.6.1 does not apply, the Reference Price shall be calculated in accordance with the following formula (subject to paragraph 11.6.3):

The average of (i) the Volume Weighted Average Price of the Shares calculated over a period of three (3) consecutive Trading Days before the Conversion Announcement Date (excluding the Conversion Announcement Date) and (ii) the Volume Weighted Average Price of the Shares calculated over a period starting on and including the Conversion Announcement Date and the two (2) consecutive Trading Days after the Conversion Announcement Date.

For the avoidance of doubt, in the event that the Issuer is in possession of Price Sensitive Information, such Price Sensitive Information shall be disclosed to the public in accordance with applicable law no later than on the Conversion Announcement Date. If the Issuer believes or foresees, after having made due enquiry into the business, assets, liabilities, condition (financial or otherwise), results, and operations of the Issuer and the Issuer's Group, that it will become in possession of Price Sensitive Information within the next 10 consecutive Trading Days, the Conversion Announcement shall be made no earlier than on the date of disclosure of such Price Sensitive Information.

- 11.6.3 Expert. If the Shares are not actually traded on the Stock Exchange on any Trading Day within the last three (3) consecutive Trading Days prior to the Conversion Announcement Date (excluding the Conversion Announcement Date) or, if paragraph 11.6.2 applies, the Shares are not actually traded on the Stock Exchange on the Conversion Announcement Date or on any Trading Day within the first two (2) Trading Days after the Conversion Announcement Date, the Reference Price shall, after consultation with the Issuer and the Danish State, be fixed by an independent investment bank of repute, appointed by the Danish State after agreeing with the Issuer, whose written opinion shall be conclusive and binding on the Issuer and the Danish State, save to the extent of manifest error. If the Reference Price is to be determined by an investment bank, the conversion of the relevant Notes shall

notwithstanding paragraph 11.12 take place as soon as possible after the investment bank has informed the Issuer and the Noteholder(s) of the Reference Price. The Issuer shall bear all costs to the investment bank. This provision shall cease to apply as and when the Danish State no longer is a Noteholder.

- 11.7 Delivery. The New Shares shall be delivered on the Settlement Date in dematerialised form through VP to the account of the Noteholder(s) in which the Notes converted were kept and otherwise in accordance with the from time to time standard procedures of VP.
- 11.8 Pari Passu Shares. The New Shares shall carry the same rights as the Issuer's existing Shares on the Conversion Date and shall be listed on the Stock Exchange. The New Shares shall be negotiable instruments and shall be freely transferable. The New Shares shall carry the same right to dividend as from the time of registration with the Danish Commerce and Companies Agency (*Erhvervs- og Selskabsstyrelsen*) as the Issuer's Shares on the Conversion Date.
- 11.9 Conditions. The Issuer's Conversion Option can only be exercised (including pursuant to paragraph 11.11) and a Notice of Conversion can only be delivered if each and every of the following conditions are met:
- (a) the Issuer has obtained the necessary corporate authorisation by a general meeting of the Issuer to issue the New Shares to the Noteholder(s) in exchange for Notes as set out in this paragraph 11;
 - (b) the Issuer has on or before the Conversion Date presented a legal opinion from the Issuer's external legal counsel to the Noteholder(s) in a form and with a content satisfactory to the Danish State confirming that the Issuer has the necessary corporate authorisation to issue the New Shares as set out in this paragraph 11, and that the New Shares are duly authorised and will be validly issued and, when issued, will rank *pari passu* with the Issuer's Shares on the Conversion Date;
 - (c) the Issuer's articles of association contain no restrictions on negotiability, ownership, voting rights, etc.;
 - (d) the Issuer has not entered into liquidation or suspended payments and no petition for bankruptcy has been filed against the Issuer; and
 - (e) no Corporate Action which may have an influence on the price of the Shares is pending or announced within the period of 5 consecutive Trading Days before and 10 consecutive Trading Days after the Conversion Announcement Date, or, if the Reference Price is determined in accordance with paragraph 11.6.3, within the period relevant for the investment bank's determination of the Reference Price.

- 11.10 No adjustment. The Reference Price shall not be subject to adjustment as a result of the Issuer's increase or decrease of share capital, issuance of warrants on the Shares or convertible instruments, merger or demerger.
- 11.11 Issuer's conversion obligation. If the Issuer's Initial Hybrid Tier 1 Capital Ratio exceeds 50 per cent, the Issuer is obliged to exercise the Issuer's Conversion Option in individual tranches of 20 per cent of the Original Number of Notes to the extent (and only to the extent) necessary to bring the Issuer's Initial Hybrid Tier 1 Capital Ratio (including with the effect of the conversion) to a level at or below 35 per cent.
- 11.12 Exercise of Issuer's Conversion Option. If the Issuer wishes or is obliged to exercise the Issuer's Conversion Option as set out in paragraphs 11.1 and 11.11, respectively, the Issuer shall give a notice ("Notice of Conversion") to the Noteholder(s) and the public to this effect, in accordance with the rules of VP, the rules of the Stock Exchange and applicable law, no less than 3 Trading Days and no more than 5 Trading Days prior to the Conversion Date ("Conversion Announcement Date"). The Notice of Conversion shall be unconditional and irrevocable and shall be in the form attached as Appendix 3. The Notice of Conversion shall be given prior to the opening of the Stock Exchange on the Conversion Announcement Date. No later than on the Conversion Date and prior to conversion of the relevant Notes, the Issuer shall give a notice to the Noteholder(s) and the public of the Reference Price in accordance with the rules of VP, the rules of the Stock Exchange and applicable law.
- 11.13 Tax. The Issuer shall pay any and all Taxes of the Noteholder(s) arising on exercise of the Issuer's Conversion Option.
- 11.14 Costs. The Issuer shall bear any and all costs to VP and the Noteholder(s)' depositaries arising on exercise of the Issuer's Conversion Option.
12. BREACH OF CONDITIONS
- 12.1 Breach of Conditions and Remedies. In case of Issuer's breach or anticipatory breach (*anteciperet misligholdelse*) of its obligations under these Conditions, each Noteholder is entitled to exercise any remedies in accordance with Danish law, including to institute legal proceedings to enforce its rights. For the avoidance of doubt, the remedies of the Noteholder(s) may not result in the Issuer having to pay any amount under these Conditions at an earlier time than when the amount would otherwise have been due and payable hereunder, except as set out in paragraph 12.2.
- 12.2 Cessation of Business. It shall (without limitation) be considered a breach of these Conditions if (a) Issuer has entered into liquidation, (b) a bankruptcy order is issued against the Issuer, or (c) the Issuer's authorisation as a credit institution is cancelled and the Danish Financial Supervisory Authority has approved a winding-up of the Issuer

through other means than liquidation, bankruptcy or merger in accordance with Section 227 of the Financial Business Act. If an event as set out in this paragraph occurs in respect of the Issuer, any Noteholder(s) may notify the Issuer that the Notes are due and payable at the amounts set out in paragraphs 8.4 to 8.6 (paragraph 8.4 applying as from the first day of the fourth year from the Issue Date) or, if the Notes were to become payable before the first day of the fourth year, at par value.

13. AMENDMENTS AND NO CONSENT

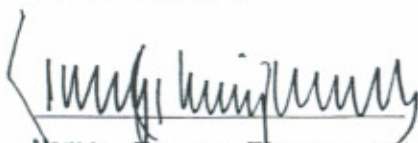

13.1 Amendments. Any amendment to these Conditions which entails that the Notes do not constitute Hybrid Tier 1 Capital shall be subject to the prior written approval of the Danish Financial Supervisory Authority.

13.2 No Consent. Notwithstanding the provisions of these Conditions, the consent of the Danish Financial Supervisory Authority shall not be required under these Conditions, and the Danish Financial Supervisory Authority has no powers vis-à-vis the Issuer, if the Issuer no longer is subject to supervision from the Danish Financial Supervisory Authority in accordance with the Danish Financial Business Act.

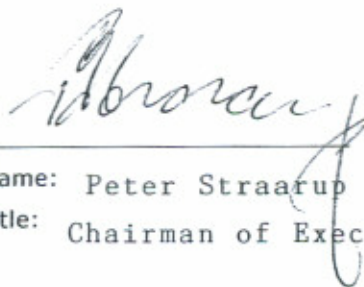

14. GOVERNING LAW AND JURISDICTION

14.1 Governing law and jurisdiction. These Conditions shall be governed by Danish law. Any dispute arising out of or in connection with these Conditions shall be brought before the Copenhagen City Court. The Issuer or any Noteholder may, however, request that the case be sent for trial in the Danish Eastern High Court.
