

OFFERING CIRCULAR

AXA

(incorporated as a société anonyme à directoire et conseil de surveillance in France)

€5,000,000,000

Euro Medium Term Note Programme

On 13th September, 2002 AXA (the “**Issuer**”) entered into a €5,000,000,000 Euro Medium Term Note Programme and issued an Offering Circular on that date describing the Programme. This Offering Circular supersedes the previous offering circular prepared in connection with the Programme. Any Notes (as defined below) issued under the Programme on or after the date of this Offering Circular are issued subject to the provisions described herein.

Under this €5,000,000,000 Euro Medium Term Note Programme (the “**Programme**”), AXA may from time to time issue notes (the “**Notes**”) denominated in any currency agreed between the Issuer and the relevant Purchaser (as defined below).

Notes may be issued in bearer or registered form (respectively “**Bearer Notes**” and “**Registered Notes**”). The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed €5,000,000,000 (or its equivalent in other currencies calculated as described herein), subject to increase as described herein.

The Notes may be issued on a continuing basis to one or more of the Dealers specified under “**Summary of the Programme**” and any additional Dealer appointed under the Programme from time to time by the Issuer (each a “**Dealer**” and together the “**Dealers**”), which appointment may be for a specific issue or on an ongoing basis. References in this Offering Circular to the “**relevant Dealer**” shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to purchase such Notes. Notes may also be issued to third parties other than Dealers. Any Dealer or such third parties to whom Notes are issued shall be referred to herein as a “**Purchaser**”.

Application has been made to the Luxembourg Stock Exchange for Notes issued under the Programme during the period of 12 months from the date of this Offering Circular to be listed on the Luxembourg Stock Exchange. Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under “**Terms and Conditions of the Notes**”) of Notes will be set out in a pricing supplement (the “**Pricing Supplement**”) which, with respect to Notes to be listed on the Luxembourg Stock Exchange, will be delivered to the Luxembourg Stock Exchange on or before the date of issue of the Notes of such Tranche.

The Programme provides that Notes may be listed on such other or further stock exchange(s) as may be agreed between the Issuer and the relevant Purchaser. The Issuer may also issue unlisted Notes. Application may also be made to have certain Series of Notes accepted for trading in the Private Offerings, Resales and Trading through Automated Linkages System (“**PORTAL**”) of the National Association of Securities Dealers, Inc.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended, (the “**Securities Act**”) and may not be offered or sold in the United States or to, or for the benefit of, U.S. persons unless the Notes are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available. See “**Form of the Notes**” for a description of the manner in which Notes will be issued. Registered Notes are subject to certain restrictions on transfer, see “**Subscription and Sale and Transfer and Selling Restrictions**”.

The Programme will not be rated but issues of Notes under the Programme may be rated by Moody’s Investors Service Limited (“**Moody’s**”), Standard & Poor’s Ratings Services, a Division of the McGraw Hill Companies Inc. (“**Standard & Poor’s**”) or Fitch Ratings Ltd (“**Fitch**”) on a case-by-case basis.

The Issuer may agree with any Purchaser that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes intended to be listed on the Luxembourg Stock Exchange) a supplementary Offering Circular, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

Its use for any other purpose in the United States is not authorised. It may not be copied or reproduced in whole or in part nor may it be distributed or any of its contents disclosed to anyone other than the prospective investors to whom it is originally submitted.

Registered Notes may be offered or sold within the United States only to QIBs in transactions exempt from registration under the Securities Act. Unless otherwise stated, terms used in this paragraph have the meanings given to them in "Form of the Notes".

NOTICE TO NEW HAMPSHIRE RESIDENTS

NEITHER THE FACT THAT A REGISTRATION STATEMENT OR AN APPLICATION FOR A LICENSE HAS BEEN FILED UNDER CHAPTER 421-B OF THE NEW HAMPSHIRE REVISED STATUTES WITH THE STATE OF NEW HAMPSHIRE NOR THE FACT THAT A SECURITY IS EFFECTIVELY REGISTERED OR A PERSON IS LICENSED IN THE STATE OF NEW HAMPSHIRE CONSTITUTES A FINDING BY THE SECRETARY OF STATE OF NEW HAMPSHIRE THAT ANY DOCUMENT FILED UNDER CHAPTER 421-B IS TRUE, COMPLETE AND NOT MISLEADING. NEITHER ANY SUCH FACT NOR THE FACT THAT AN EXEMPTION OR EXCEPTION IS AVAILABLE FOR A SECURITY OR A TRANSACTION MEANS THAT THE SECRETARY OF STATE HAS PASSED IN ANY WAY UPON THE MERITS OR QUALIFICATIONS OF, OR RECOMMENDED OR GIVEN APPROVAL TO, ANY PERSON, SECURITY OR TRANSACTION. IT IS UNLAWFUL TO MAKE, OR CAUSE TO BE MADE, TO ANY PROSPECTIVE PURCHASER, CUSTOMER OR CLIENT ANY REPRESENTATION INCONSISTENT WITH THE PROVISIONS OF THIS PARAGRAPH.

AVAILABLE INFORMATION

To permit compliance with Rule 144A in connection with any resales or other transfers of Notes that are "restricted securities" within the meaning of the Securities Act, the Issuer has undertaken in a deed poll dated 10th October, 2003 (the "Deed Poll") to furnish, upon the request of a holder of such Notes or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, the Issuer is neither a reporting company under Section 13 or 15(d) of the U.S. Securities Exchange Act of 1934, as amended, (the "Exchange Act") nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

SERVICE OF PROCESS AND ENFORCEMENT OF CIVIL LIABILITIES

The Issuer is a corporation organised under the laws of France. The majority of the officers and directors named herein reside outside the United States and all or a substantial portion of the assets of the Issuer and of such officers and directors are located outside the United States. As a result, it may not be possible for investors to effect service of process outside France upon the Issuer or such persons, or to enforce judgments against them obtained in courts outside France predicated upon civil liabilities of the Issuer or such directors and officers under laws other than French law, including any judgment predicated upon United States federal securities laws. The Issuer has been advised that, if an original action is brought in France, based solely upon the U.S. Federal Securities laws, French courts may not have the requisite jurisdiction to grant the remedies sought and that actions for enforcement of judgments of United States courts, rendered against the French persons referred to above, would require these French persons to waive their rights under Article 15 of the French Civil Code to be sued only in France. Axa believes that these French persons have not waived this right.

PRESENTATION OF FINANCIAL AND OTHER INFORMATION

The Issuer previously maintained its financial books and records and prepared its financial statements in French francs and since the beginning of the 1999 financial year, maintains such financial books and records and prepares such financial statements in Euro, both in accordance with generally accepted accounting principles in France ("French GAAP") which differ in certain important respects from generally accepted accounting principles in the United States ("U.S. GAAP"). For a discussion of the principal differences between French GAAP and U.S. GAAP as they relate to the Issuer, see "Summary of material differences between French GAAP and U.S. GAAP" as set out in the Annual Report included in the *Document de Référence* of the Issuer incorporated herein by reference.

All references in this document to "U.S. dollars", "U.S.\$" and "\$" refer to the currency of the United States of America, to "French francs" and "FF" refer to the currency of France, to "Sterling" and "£" refer to the currency of the United Kingdom, to "Swiss francs" refers to the currency of Switzerland, to "Japanese yen" refers to the currency of Japan, to "Australian dollars" refers to the currency of Australia, to "New Zealand dollars" refers to the currency of New Zealand and to "euro" and "€" refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty establishing the European Community, as amended.

Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Offering Circular.

The Issuer will provide, without charge, to each person to whom a copy of this Offering Circular has been delivered, upon the request of such person, a copy of any or all of the documents deemed to be incorporated herein by reference unless such documents have been modified or superseded as specified above. The Issuer will, in connection with the listing of the Notes on the Luxembourg Stock Exchange, so long as any Note remains outstanding and listed on such exchange, in the event of there being any significant new factor capable of affecting the assessment of the Notes which is not reflected in this Offering Circular, prepare a supplement to this Offering Circular or publish a new Offering Circular for use in connection with any subsequent issue of the Notes to be listed on the Luxembourg Stock Exchange.

If the terms of the Programme are modified or amended in a manner which would make this Offering Circular, as so modified or amended, inaccurate or misleading, a new offering circular will be prepared.

In connection with the issue and distribution of any Tranche of Notes, the Dealer (if any) disclosed as the stabilising manager or any person acting for him in the applicable Pricing Supplement may over-allot or effect transactions with a view to supporting the market price of the Notes of the Series (as defined below) of which such Tranche forms part at a level higher than that which might otherwise prevail for a limited period after the issue date. However, there may be no obligation on the stabilising manager or any agent of his to do so. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited period. Such stabilising may include the purchase of Notes to support their market price, the purchase of Notes to cover some or all of a short position in the Notes maintained by the stabilising manager and the imposition of penalty bids. For a description of these activities, see "Subscription and Sale and Transfer and Selling Restrictions".

GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme, the Issuer may from time to time issue Notes denominated in any currency, subject as set out herein. A summary of the terms and conditions of the Programme and the Notes appears below. The applicable terms of any Notes will be agreed between the Issuer and the relevant Purchaser prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Pricing Supplement attached to, or endorsed on, such Notes, as more fully described under “Form of the Notes” below.

This Offering Circular and any supplement will only be valid for listing Notes on the Luxembourg Stock Exchange during the period of 12 months from the date of this Offering Circular in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed €5,000,000,000 or its equivalent in other currencies. For the purpose of calculating the euro equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

1. the euro equivalent of Notes denominated in another Specified Currency (as defined under “Form of the Notes”) shall be determined, at the discretion of the Issuer, either as of the date on which agreement is reached for the issue of Notes or on the preceding day on which commercial banks and foreign exchange markets are open for business in Luxembourg and London, in each case on the basis of the spot rate for the sale of the euro against the purchase of such Specified Currency in a foreign exchange market in the Euro-zone quoted by any leading international bank selected by the Issuer on the relevant day of calculation;
2. the euro equivalent of Dual Currency Notes, Index Linked Notes and Partly Paid Notes (each as defined under “Form of the Notes”) shall be calculated in the manner specified above by reference to the original nominal amount on issue of such Notes (in the case of Partly Paid Notes regardless of the subscription price paid); and
3. the euro equivalent of Zero Coupon Notes (as defined under “Form of the Notes”) and other Notes issued at a discount or a premium shall be calculated in the manner specified above by reference to the net proceeds received by the Issuer for the relevant issue.

In these Conditions, “Euro-zone” means the region comprised of member states of the European Union that adopt the single currency in accordance with the Treaty establishing the European Community, as amended.

The following summary does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this Offering Circular and, in relation to the terms and conditions of any particular Tranche of Notes, the applicable Pricing Supplement. Bearer Notes

Each Tranche of Bearer Notes will be initially issued in the form of either a temporary bearer global note (a “Temporary Bearer Global Note”) or a permanent bearer global note (a “Permanent Bearer Global Note”) as indicated in the applicable Pricing Supplement, which, in either case, will be delivered on or prior to the original issue date of the Tranche to a common depositary (the “Common Depositary”) for Euroclear Bank S.A./N.V., as operator of the Euroclear System (“Euroclear”) and Clearstream Banking, société anonyme (“Clearstream, Luxembourg”). Whilst any Bearer Note is represented by a Temporary Bearer Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made against presentation of the Temporary Bearer Global Note only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

On and after the date (the “Exchange Date”) which, in respect of each Tranche in respect of which a Temporary Bearer Global Note is issued, is 40 days after the Temporary Bearer Global Note is issued, interests in such Temporary Bearer Global Note will be exchangeable (free of charge) upon a request as described therein either for (i) interests in a Permanent Bearer Global Note of the same Series or (ii) for definitive Bearer Notes of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Pricing Supplement and subject, in the case of definitive Bearer Notes, to such notice period as is specified in the applicable Pricing Supplement), in each case against certification of beneficial ownership as described above unless such certification has already been given, provided that purchasers in the United States and certain U.S. persons will not be able to receive definitive Bearer Notes. The holder of a Temporary Bearer Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Bearer Global Note for an interest in a Permanent Bearer Global Note or for definitive Bearer Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Bearer Global Note will be made through Euroclear and/or Clearstream, Luxembourg against presentation or surrender (as the case may be) of the Permanent Bearer Global Note without any requirement for certification.

The applicable Pricing Supplement will specify that a Permanent Bearer Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Bearer Notes with, where applicable, receipts, interest coupons and talons attached only upon the occurrence of an Exchange Event. For these purposes, “Exchange Event” means that (i) an Event of Default (as defined in Condition 10) has occurred and is continuing, (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Bearer Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

The following legend will appear on all Bearer Notes which have an original maturity of more than 365 days and on all receipts and interest coupons relating to such Notes:

“ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.”

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Bearer Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Registered Notes

The Registered Notes of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a global note in registered form, without Receipts or Coupons, (a “Regulation S Global Note”) which will be deposited with a common depositary for, and registered in the name of a common nominee of, Euroclear and Clearstream, Luxembourg. Prior to expiry of the distribution compliance period (as defined in Regulation S) applicable to each Tranche of Notes, beneficial interests in a Regulation S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in Condition 2, and may not be held otherwise than through Euroclear or Clearstream, Luxembourg and such Regulation S Global Note will bear a legend regarding such restrictions on transfer.

The Registered Notes of each Tranche may only be offered and sold in the United States or to U.S. persons in private transactions to “qualified institutional buyers” within the meaning of Rule 144A under the Securities Act (“QIBs”). The Registered Notes of each Tranche sold to QIBs will be represented by a global note in registered form, without Receipts or Coupons, (a “Rule 144A Global Note” and, together with a Regulation S Global Note, the “Registered Global Notes”) which will be deposited with a custodian for, and registered in the name of a nominee of, DTC.

Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of definitive Notes in fully registered form.

The Rule 144A Global Note will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 6) as the registered holder of the Registered Global Notes. None of the Issuer, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 6) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Registered Notes without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, “Exchange Event” means that (i) an Event of Default has occurred and is continuing, (ii) in the case of Notes represented by a Rule 144A Global Note only, DTC has notified the Issuer that it is unwilling or unable to continue to act as depositary for the Notes and no alternative clearing system is available, (iii) in the case of Notes represented by a Rule 144A Global Note only, DTC has ceased to constitute a clearing agency registered under the Exchange Act or, in the case of Notes represented by a Regulation S Global Note only, the Issuer has

been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (iv) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Registered Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, DTC, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Registered Global Note) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iv) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

Transfer of Interests

Interests in a Registered Global Note may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Note. No beneficial owner of an interest in a Registered Global Note will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and Clearstream, Luxembourg, in each case to the extent applicable. Registered Notes are also subject to the restrictions on transfer set forth therein and will bear a legend regarding such restrictions, see “Subscription and Sale and Transfer and Selling Restrictions”.

General

Pursuant to the Agency Agreement (as defined under “Terms and Conditions of the Notes”), the Principal Paying Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a Common Code and ISIN and, where applicable, a CUSIP and CINS number which are different from the Common Code, ISIN, CUSIP and CINS assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period applicable to the Notes of such Tranche.

For so long as any of the Notes is represented by a Bearer Global Note or a Regulation S Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and its agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or the registered holder of the relevant Regulation S Global Note shall be treated by the Issuer and its agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly.

So long as DTC or its nominee is the registered owner or holder of a Registered Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Registered Global Note for all purposes under the Agency Agreement and such Notes except to the extent that in accordance with DTC’s published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

Any reference herein to Euroclear and/or Clearstream, Luxembourg and/or DTC shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Pricing Supplement.

A Senior Note may be accelerated by the holder thereof in certain circumstances described in Condition 10. In such circumstances, where any Note is still represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then, unless within the period of seven days commencing on

the relevant due date payment in full of the amount due in respect of the Global Note is received by the bearer or the registered holder, as the case may be, in accordance with the provisions of the Global Note, holders of interests in such Global Note credited to their accounts with Euroclear and/or Clearstream, Luxembourg and/or DTC, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear, Clearstream, Luxembourg and DTC on and subject to the terms of a deed of covenant (the "Deed of Covenant") dated 10th October, 2003 and executed by the Issuer. In addition, holders of interests in such Global Note credited to their accounts with DTC may require DTC to deliver Definitive Notes in registered form in exchange for their interest in such Global Note in accordance with DTC's standard operating procedures.

Duly authorised

If the applicable Pricing Supplement specifies any modification to the Terms and Conditions of the Notes as described herein, it is envisaged that, to the extent that such modification relates only to Conditions 1, 3 (except Condition 3(a)), 5,6,7 (except Condition 7(b)), 8, 11, 12, 13, 14 (insofar as such Notes are not listed on any stock exchange) or 16, they will not necessitate the preparation of a supplement to this Offering Circular. If the Terms and Conditions of the Notes of any Series are to be modified in any other respect, a supplement to this Offering Circular will be prepared, if appropriate.

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange (if any) and agreed by the Issuer and the relevant Purchaser at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Pricing Supplement in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Pricing Supplement (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to "Form of the Notes" for a description of the content of Pricing Supplements which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by AXA (the "Issuer") pursuant to the Agency Agreement (as defined below).

References herein to the "Notes" shall be references to the Notes of this Series and shall mean:

1. In relation to any Notes represented by a global Note (a "Global Note"), units of the lowest Specified Denomination in the Specified Currency;
2. any Global Note;
3. any definitive Notes in bearer form ("Bearer Notes") issued in exchange for a Global Note in bearer form; and
4. definitive Notes in registered form ("Registered Notes") (whether or not issued in exchange for a Global Note in registered form).

The Notes, the Receipts (as defined below) and the Coupons (as defined below) have the benefit of an Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the "Agency Agreement") dated 10th October, 2003 and made between the Issuer, BNP Paribas Securities Services, Luxembourg Branch, as issuing and principal paying agent and agent bank (the "Principal Paying Agent", which expression shall include any successor principal paying agent) and the other paying agents named therein (together with the Principal Paying Agent, the "Paying Agents", which expression shall include any additional or successor paying agents), BNP Paribas Securities Services, Luxembourg Branch, as exchange agent (the "Exchange Agent" which expression shall include any successor exchange agent), as registrar (the "Registrar", which expression shall include any successor registrar) and as transfer agent and the other transfer agents named therein (together with the Registrar, the "Transfer Agents", which expression shall include any additional or successor transfer agents).

Interest bearing definitive Bearer Notes (unless otherwise indicated in the applicable Pricing Supplement) have interest coupons ("Coupons") and, if indicated in the applicable Pricing Supplement, talons for further Coupons ("Talons") attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Bearer Notes repayable in instalments have receipts ("Receipts") for the payment of the instalments of principal (other than the final instalment) attached on issue, Registered Notes and Global Notes do not have Receipts, Coupons or Talons attached on issue.

The Pricing Supplement for this Note (or the relevant provisions thereof) is attached to or endorsed on this Note and supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace or modify these Terms and Conditions for the purposes of this Note. References to the "applicable Pricing Supplement" are to the Pricing Supplement (or the relevant provisions thereof) attached to or endorsed on this Note.

Any reference to "Noteholders" or "holders" in relation to any Notes shall mean (in the case of Bearer Notes) the holders of the Notes and (in the case of Registered Notes) the persons in whose name the Notes are registered and shall, in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to "Receiptholders" shall mean the holders of the Receipts and any reference herein to "Couponholders" shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, “Tranche” means Notes which are identical in all respects (including as to listing) and “Series” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

The Noteholders, the Receiptholders and the Couponholders are entitled to the benefit of the Deed of Covenant (the “Deed of Covenant”) dated 10th October, 2003 and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear (as defined below) and Clearstream, Luxembourg (as defined below).

Copies of the Agency Agreement, a deed poll (the “Deed Poll”) dated 10th October, 2003 and made by the Issuer and the Deed of Covenant are available for inspection during normal business hours at the specified office of each of the Principal Paying Agent, the Registrar and the other Paying Agents and Transfer Agents (such Agents and the Registrar being together referred to as the “Agents”). Copies of the applicable Pricing Supplement are obtainable during normal business hours at the specified office of each of the Agents save that, if this Note is an unlisted Note of any Series, the applicable Pricing Supplement will only be obtainable by a Noteholder holding one or more unlisted Notes of that Series and such Noteholder must produce evidence satisfactory to the Issuer and the relevant Agent as to its holding of such Notes and identity. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed Poll, the Deed of Covenant and the applicable Pricing Supplement which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Pricing Supplement shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Pricing Supplement, the applicable Pricing Supplement will prevail.

The Notes are in bearer form or in registered form as specified in the applicable Pricing Supplement and, in the case of definitive Notes, serially numbered, in the Specified Currency and the Specified Denomination(s). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination and Bearer Notes may not be exchanged for Registered Notes and vice versa.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, a Dual Currency Interest Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Pricing Supplement.

This Note may be an Index Linked Redemption Note, an Instalment Note, a Dual Currency Redemption Note, a Partly Paid Note or a combination of any of the foregoing, depending upon the Redemption/Payment Basis shown in the applicable Pricing Supplement.

Definitive Bearer Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Bearer Notes, Receipts and Coupons will pass by delivery and title to the Registered Notes will pass upon registration of transfers in accordance with the provisions of the Agency Agreement. The Issuer and any Agent will (except as otherwise required by law) deem and treat the bearer of any Bearer Note, Receipt or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Bearer Global Note or a Regulation S Global Note held on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear System (“Euroclear”) and/or Clearstream Banking, société anonyme (“Clearstream, Luxembourg”), each person (other

than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest or proven error) shall be treated by the Issuer and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or the registered holder of the relevant Regulation S Global Note shall be treated by the Issuer and any Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly.

For so long as the Depository Trust Company (“DTC”) or its nominee is the registered owner or holder of a Registered Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Registered Global Note for all purposes under the Agency Agreement and the Notes except to the extent that in accordance with DTC’s published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of DTC, Euroclear and Clearstream, Luxembourg, as the case may be. References to DTC, Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system.

2. TRANSFERS OF REGISTERED NOTES

(a) Transfers of interests in Registered Global Notes

Transfers of beneficial interests in Registered Global Notes will be effected by DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Note will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Notes in definitive form or for a beneficial interest in another Registered Global Note only in the authorised denominations set out in the applicable Pricing Supplement and only in accordance with the rules and operating procedures for the time being of DTC, Euroclear or Clearstream, Luxembourg, as the case may be and in accordance with the terms and conditions specified in the Agency Agreement. Transfers of a Registered Global Note shall be limited to transfers of such Registered Global Note, in whole but not in part, to a nominee of DTC or to a successor of DTC or such successor’s nominee.

(b) Transfers of Registered Notes in definitive form

Subject as provided in paragraphs (e), (f) and (g) below, upon the terms and subject to the conditions set forth in the Agency Agreement, a Registered Note in definitive form may be transferred in whole or in part (in the authorised denominations set out in the applicable Pricing Supplement). In order to effect any such transfer (i) the holder or holders must (a) surrender the Registered Note for registration of the transfer of the Registered Note (or the relevant part of the Registered Note) at the specified office of the Registrar or any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing and (b) complete and deposit such other certifications as may be required by the Registrar or, as the case may be, the relevant Transfer Agent and (ii) the Registrar or, as the case may be, the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer and the Registrar may from time to time prescribe (the initial such regulations being set out in Schedule 9 to the Agency Agreement). Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to

comply with any applicable fiscal or other laws or regulations) authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail to such address as the transferee may request, a new Registered Note in definitive form of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note in definitive form, a new Registered Note in definitive form in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.

(c) Registration of transfer upon partial redemption

In the event of a partial redemption of Notes under Condition 7, the Issuer shall not be required to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

(d) Costs of registration

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

(e) Transfers of interests in Regulation S Global Notes

Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of a beneficial interest in, a Regulation S Global Note to a transferee in the United States or who is a U.S. person will only be made:

- (i) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate (a "Transfer Certificate"), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Note or beneficial interest therein to the effect that such transfer is being made to a person for whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A;
- (ii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

In the case of (i) above, such transferee may take delivery through a Legended Note in a global or definitive form. After expiry of the applicable Distribution Compliance Period (i) beneficial interests in Regulation S Global Notes may be held through DTC directly, by a participant in DTC, or indirectly through a participant in DTC and (ii) such certification requirements will not longer apply to such transfers.

(f) Transfers of interests in Legended Notes

Transfers of Legended Notes or beneficial interests therein may be made:

- (i) to a transferee who takes delivery of such interest through a Regulation S Global Note, upon receipt by the Registrar of a duly completed Transfer Certificate from the transferor to the effect that such transfer is being made in accordance with Regulation S and that, if such transfer is being made prior to expiry of the applicable Distribution Compliance Period, the interests in the Notes being transferred will be held immediately thereafter through Euroclear and/or Clearstream, Luxembourg; or
- (ii) to a transferee who takes delivery of such interest through a Legended Note where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification;

- (iii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

Upon the transfer, exchange or replacement of Legended Notes, or upon specific request for removal of the Legend, the Registrar shall deliver only Legended Notes or refuse to remove such Legend, as the case may be, unless there is delivered to the Issuer such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of U.S. counsel, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

(g) Exchanges and transfers of Registered Notes generally

Holders of Registered Notes in definitive form may exchange such Notes for interests in a Registered Global Note of the same type at any time.

(b) Subordinated Notes

- (i) If the Notes have a specified maturity date and are expressed to be senior subordinated notes (“Senior Dated Subordinated Notes”), such Notes and any relative Receipts and Coupons are direct, unconditional, unsecured, subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and *pari passu* with any other existing or future direct, unconditional, unsecured, subordinated obligations of the Issuer having a specified maturity date which are expressed to be senior subordinated obligations of the Issuer but shall rank in priority to any Junior Dated Subordinated Notes (as defined below), any Undated Subordinated Notes (as defined below), any Undated Subordinated Obligations (as defined below), any *prêts participatifs* granted to the Issuer and any *titres participatifs* issued by the Issuer.

- (ii) If the Notes have a specified maturity date and are expressed to be subordinated to any senior subordinated obligations of the Issuer having a specified maturity date ("Junior Dated Subordinated Notes"), including any Senior Dated Subordinated Notes, such Notes and any relative Receipts and Coupons are direct, unconditional, unsecured, subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and *pari passu* with any other existing or future direct, unconditional, unsecured, subordinated obligations of the Issuer having a specified maturity date which are expressed to be subordinated to any senior subordinated obligations of the Issuer having a specified maturity date, and shall rank, if specified in the applicable Pricing Supplement, *pari passu* with any Undated Subordinated Notes, any Undated Subordinated Obligations, but shall rank in priority to any *prêts participatifs* granted to the Issuer and any *titres participatifs* issued by the Issuer.

The holders of Subordinated Notes shall take all steps necessary for the orderly accomplishment of any collective proceedings or voluntary liquidation.

- (d) Deferral of payment of interest in the case of Subordinated Notes

In the case of Subordinated Notes, the payment of interest may be deferred in accordance with the provisions of Condition 5(f) or as specified in the applicable Pricing Supplement.

The provisions of this Condition 3 (and in particular paragraphs (b) and (c) above) are subject to modification or replacement as set out in the applicable Pricing Supplement.

4. REDENOMINATION

(a) Redenomination

Where redenomination is specified in the applicable Pricing Supplement as being applicable, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Principal Paying Agent, Euroclear and Clearstream, Luxembourg and at least 30 days' prior notice to the Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (i) the Notes and the Receipts shall be deemed to be redenominated into euro in the denomination of €0.01 with a principal amount for each Note and Receipt equal to the principal amount of that Note or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Principal Paying Agent, that the then market practice in respect of the redenomination into euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Agents of such deemed amendments;
- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate principal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest €0.01;
- (iii) if definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of €1,000, €10,000, €100,000 and (but only to the extent of any remaining amounts less than €1,000 or such smaller denominations as the Principal Paying Agent may approve) €0.01 and such other denominations as the Principal Paying Agent shall determine and notify to the Noteholders;
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the "Exchange Notice") that replacement euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Principal Paying Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;
- (v) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (vi) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified

Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention; and

- (vii) if the Notes are Floating Rate Notes, the applicable Pricing Supplement will specify any relevant changes to the provisions relating to interest.

(b) Definitions

In these Terms and Conditions, the following expressions have the following meanings:

“Established Rate” means the rate for the conversion of the Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Community regulations) into euro established by the Council of the European Union pursuant to Article 123 of the Treaty;

“euro” means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty;

“Redenomination Date” means (in the case of interest bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case specified by the Issuer in the notice given to the Noteholders pursuant to paragraph (a) above and which falls on or after the date on which the country of the Specified Currency first participates in the third stage of European economic and monetary union; and

“Treaty” means the Treaty establishing the European Community, as amended.

5. INTEREST

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date, unless otherwise specified in the applicable Pricing Supplement.

Except as provided in the applicable Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Pricing Supplement, amount to the Broken Amount so specified.

As used in these Terms and Conditions, “Fixed Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

“Day Count Fraction” means, in respect of the calculation of an amount of interest in accordance with this Condition 5(a):

- (i) if “Actual/Actual (ISMA)” is specified in the applicable Pricing Supplement:

- (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “Accrual Period”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Pricing Supplement) that would occur in one calendar year; or

- (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Pricing Supplement) that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if “30/360” is specified in the applicable Pricing Supplement, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In these Terms and Conditions:

“Determination Period” means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“sub-unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest on Floating Rate Notes and Index Linked Interest Notes

(i) *Interest Payment Dates*

Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

1. the Specified Interest Payment Date(s) (each an “Interest Payment Date”) in each year specified in the applicable Pricing Supplement; or
2. if no express Specified Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each an “Interest Payment Date”) which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Pricing Supplement and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

1. in any case where Specified Periods are specified in accordance with Condition 5(b)(i)(2) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in

which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or

2. the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
3. the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
4. the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions, "Business Day" means a day which is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London, Luxembourg and any Additional Business Centre specified in the applicable Pricing Supplement; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (the "TARGET System") is open.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Pricing Supplement.

Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

1. the offered quotation; or
2. the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of the London inter-bank offered rate ("LIBOR"), or Brussels time, in the case of the Euro-zone inter-bank offered rate ("EURIBOR")) on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Principal Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

In these Terms and Conditions, "Euro-zone" means the region comprised of member states of the European Union that adopt the single currency in accordance with the Treaty establishing the European Community, as amended.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

(iii) *Minimum and/or maximum Rate of Interest*

If the applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent will calculate the amount of interest (the "Interest Amount") payable on the Floating Rate Notes or Index Linked Interest Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"Day Count Fraction" means, in respect of the calculation of an amount of interest for any Interest Period:

1. if "Actual/365" or "Actual/Actual" is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
2. if "Actual/365 (Fixed)" is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365;
3. if "Actual/365 (Sterling)" is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
4. if "Actual/360" is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 360;
5. if "30/360", "360/360" or "Bond Basis" is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with

12 months of 30 days each (unless (a) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and

6. if “30E/360” or “Eurobond Basis” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 months of 30 days each, without regard to the date of the first day or last day of the Interest Period unless, in the case of an Interest Period ending on the Maturity Date, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(v) *Notification of Rate of Interest and Interest Amounts*

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression “Business Day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London and Luxembourg.

(vi) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(b), whether by the Principal Paying Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Principal Paying Agent, the Calculation Agent (if applicable), the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Principal Paying Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Interest on Dual Currency Interest Notes*

In the case of Dual Currency Interest Notes, if the rate or amount of interest fails to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.

(d) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

(e) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due

presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

1. the date on which all amounts due in respect of such Note have been paid; and
2. five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Principal Paying Agent or the Registrar, as the case may be, and notice to that effect has been given to the Noteholders in accordance with Condition 14.

(f) Interest Deferral—Subordinated Notes

This paragraph (f) is applicable to all Subordinated Notes.

Interest on Subordinated Notes shall be payable on each Interest Payment Date in accordance with these Terms and Conditions unless such date is declared an Optional Interest Payment Date (as defined below) by the Issuer.

(1) Optional Interest Payment Dates

An “Optional Interest Payment Date” means each Interest Payment Date to which either of the following circumstances applies:

- (i) at the annual general meeting of the Issuer immediately prior to such Interest Payment Date no dividend was declared on any ordinary shares of the Issuer; or
- (ii) the Principal Paying Agent has received written notice from the Issuer confirming (A) that a Regulatory Intervention (as defined below) has occurred and such Regulatory Intervention is continuing on such Interest Payment Date and (B) no dividend has been declared on any ordinary shares of the Issuer since the date on which such Regulatory Intervention occurred.

On any Optional Interest Payment Date, the Issuer may elect, by giving notice to the Noteholders pursuant to sub-paragraph (4) below to defer payment of all (but not some only) of the interest accrued to that date in respect of the Subordinated Notes, but the Issuer shall not have any obligation to make such payment and any such failure to pay shall not constitute a default by the Issuer for any purpose.

Any interest in respect of the Subordinated Notes not paid on an Optional Interest Payment Date and deferred in accordance with this Condition shall, so long as the same remains outstanding, constitute “Arrears of Interest” and shall be payable as outlined below.

(2) Arrears of Interest

Arrears of Interest (together with the corresponding Additional Interest Amount (as defined below)) may at the option of the Issuer be paid in whole or in part at any time but all Arrears of Interest (together with the corresponding Additional Interest Amount) in respect of all Notes for the time being outstanding shall become due in full on whichever is the earliest of:

- (i) the Interest Payment Date immediately following the date of the annual general meeting of the Issuer at which a dividend is declared on any ordinary shares of the Issuer;
- (ii) the Interest Payment Date immediately following the date upon which the Principal Paying Agent receives written notice from the Issuer stating that no Regulatory Intervention is or will be continuing on such Interest Payment Date provided that a dividend was declared on any ordinary shares of the Issuer at the annual general meeting preceding the occurrence of such Regulatory Intervention;
- (iii) the date fixed for any optional or mandatory redemption of the Notes; or
- (iv) the date upon which a judgment is made for the judicial liquidation of the Issuer (*liquidation judiciaire* or *liquidation amiable*) or for the sale of the whole of the business (*cession totale de l'entreprise*) following an order of judicial reorganisation (*redressement judiciaire*) in respect of the Issuer.

Each amount of Arrears of Interest shall bear interest (to the extent permitted by applicable law) as if it constituted the principal of the Notes at a rate which corresponds to the Rate of Interest from time to time applicable to the Notes and the amount of such

interest (the “Additional Interest Amount”) with respect to Arrears of Interest shall be due and payable pursuant to this Condition and shall be calculated by applying the Rate of Interest to the amount of the Arrears of Interest and otherwise *mutatis mutandis* as provided in the foregoing provisions of this Condition 5. The Additional Interest Amount accrued up to any Interest Payment Date shall be added, for the purpose only of calculating the Additional Interest Amount accruing thereafter, to the amount of Arrears of Interest remaining unpaid on such Interest Payment Date as if such amount constituted Arrears of Interest.

(3) Definitions

For the purposes of this paragraph (f):

“Regulatory Intervention” means (i) in respect of the Issuer, a request to the Issuer from the Relevant Supervisory Authority (as defined below) to restore any applicable minimum solvency margins or capital adequacy levels, or (ii) a request in respect of a Principal Subsidiary (as defined below) of the Issuer by its relevant supervisory authority to restore any applicable minimum solvency margins or capital adequacy levels;

“Principal Subsidiary” means any consolidated subsidiary of the Issuer engaged in insurance business and regulated as such whose contribution to the consolidated gross premiums or consolidated gross technical reserves of the Issuer represents 5 per cent. or more of the consolidated gross written premiums or consolidated gross technical reserves, respectively, for the immediately preceding financial year as shown in the most recent audited consolidated financial statements of the Issuer prior to the relevant Interest Payment Date; and

“Relevant Supervisory Authority” means any relevant regulator having jurisdiction over the Issuer, in the event that the Issuer’s insurance activities are regulated on a consolidated basis and the Issuer is required to comply with certain applicable minimum solvency margins or capital adequacy levels in accordance with the applicable laws and regulations.

(4) Notice of Deferral and Payment of Arrears of Interest

The Issuer shall give at least five Business Days’ prior notice to the Noteholders in accordance with Condition 14:

- (1) of any Optional Interest Payment Date on which, pursuant to the provisions of subparagraph (f)(1) above, interest will not be paid; and
- (2) of any date upon which amounts in respect of Arrears of Interest and/or Additional Interest Amounts shall become due and payable.

(5) Partial Payment of Arrears of Interest

If amounts in respect of Arrears of Interest and Additional Interest Amounts are paid in part:

- (1) all unpaid amounts of Arrears of Interest shall be payable before any Additional Interest Amounts;
- (2) Arrears of Interest accrued for any period shall not be payable until full payment has been made of all Arrears of Interest that have accrued during any earlier period and the order of payment of Additional Interest Amounts shall follow that of the Arrears of Interest to which they relate; and
- (3) the amount of Arrears of Interest or Additional Interest Amounts payable in respect of any Note in respect of any period, will be calculated *pro rata* to the total amount of all unpaid Arrears of Interest or, as the case may be, Additional Interest Amounts accrued in respect of that period to the date of payment.

6. PAYMENTS

(a) Method of payment

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in

Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively); and

- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

(b) Presentation of definitive Bearer Notes, Receipts and Coupons

Payments of principal in respect of definitive Bearer Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Bearer Notes, and payments of interest in respect of definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of definitive Bearer Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Bearer Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Bearer Note to which it appertains. Receipts presented without the definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Dual Currency Notes, Index Linked Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "Long Maturity Note" is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on

the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Bearer Note.

(c) Payments in respect of Bearer Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note in bearer form will (subject as provided below) be made in the manner specified above in relation to definitive Bearer Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note in bearer form, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented and such record shall be *prima facie* evidence that the payment in question has been made.

(d) Payments in respect of Registered Notes

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the "Register") at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date (the "Record Date"). Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Notes held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "Designated Account" means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and "Designated Bank" means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the "Record Date") at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any Interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

All amounts payable to DTC or its nominee as registered holder of a Global Note in registered form in respect of Notes denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for payment in such Specified Currency for conversion into U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or DTC as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear, Clearstream, Luxembourg or DTC, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(f) Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, "Payment Day" means any day which (subject to Condition 9) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - 1. the relevant place of presentation;
 - 2. Luxembourg;
 - 3. any Additional Financial Centre specified in the applicable Pricing Supplement;

- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open; and
- (iii) in the case of any payment in respect of a Registered Global Note denominated in a Specified Currency other than U.S. dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such Registered Global Note) has elected to receive any part of such payment in U.S. dollars, a day on which commercial banks are not authorised or required by law or regulation to be closed in New York City.

(g) Interpretation of principal and interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7(f)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

7. REDEMPTION AND PURCHASE

(a) Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will (except for Undated Subordinated Notes) be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement in the relevant Specified Currency on the Maturity Date.

(b) Redemption for tax reasons

- (i) The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time on giving not less than 30 nor more than 45 days' notice to the Principal Paying Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), if on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in, or amendment to, the laws or regulations of France or any political subdivision of, or any authority in, or of, France having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make such payment without withholding for French taxes. Prior to the publication of any notice of redemption

pursuant to this paragraph, the Issuer shall deliver to the Principal Paying Agent (i) a certificate signed by a director of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

If the Issuer would on the occasion of the next payment due under the Notes be prevented by French law from making payment to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8, then the Issuer shall forthwith give notice of such fact to the Principal Paying Agent and the Issuer shall (subject as provided below) forthwith redeem all, but not some only, of the Notes then outstanding, upon giving not less than seven nor more than thirty days' irrevocable notice to the Noteholders, provided that the due date for redemption of which notice hereunder shall be given, shall be the latest practicable date on which the Issuer could make payment without withholding for French taxes, or if such date is past, as soon as is practicable thereafter.

Notes redeemed pursuant to this Condition 7(b) will be redeemed at their Early Redemption Amount referred to in paragraph (f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption including any Arrears of Interest.

In the case of Subordinated Notes, any such redemption may be subject to the prior approval of the Relevant Supervisory Authority.

- (ii) If specified in the applicable Pricing Supplement the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time on giving not less than 30 nor more than 45 days' notice to the Principal Paying Agent, and in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), if on the occasion of the next payment due under the Notes, interest payable thereunder is no longer tax-deductible by the Issuer in France or any political subdivision of, or any authority in, or of, France having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make such payment with interest payable being tax deductible in France. Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Principal Paying Agent (i) a certificate signed by a director of the Issuer stating that the Issuer is entitled to effect such redemption and that payments of interest under the Notes will no longer be tax-deductible as aforesaid and (ii) an opinion of independent legal advisers of recognised standing to such effect.

(c) Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Pricing Supplement, the Issuer may, having given:

- (i) not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Condition 14; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Principal Paying Agent and, in the case of a redemption of Registered Notes, the Registrar;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Higher Redemption Amount. In the case of a partial redemption of Notes, the Notes to be redeemed ("Redeemed Notes") will be selected individually by lot, in the case of Redeemed Notes

represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg and/or DTC, in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "Selection Date"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes or represented by a Global Note shall in each case bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of definitive Notes outstanding and Notes outstanding represented by such Global Note, respectively, bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that, if necessary, appropriate adjustments shall be made to such nominal amounts to ensure that each represents an integral multiple of the Specified Denomination. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least five days prior to the Selection Date.

In the event of early redemption as aforesaid of any issue of Subordinated Notes, such early redemption may be subject to the prior approval of the Relevant Supervisory Authority. Subject to limited exceptions, Subordinated Notes will not be subject to early redemption before the expiration of a five year period starting on their Issue Date.

(d) Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified in the applicable Pricing Supplement, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 15 nor more than 30 days' notice the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Pricing Supplement, in whole, such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. Registered Notes may be redeemed under this Condition 7(d) in any multiple of their lowest Specified Denomination.

If this Note is in definitive form, to exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver such Note at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a "Put Notice") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 2(b). If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

Any Put Notice given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer

to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 10.

In the case of Subordinated Notes, there will be no redemption at the option of the Noteholders.

(e) Optional Redemption of Subordinated Notes due to a Regulatory Event

If at any time the Issuer determines that a Regulatory Event (as defined below) has occurred with respect to any Subordinated Notes, such Subordinated Notes will be redeemable in whole or in part at the option of the Issuer having given not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Condition 14 on any Interest Payment Date (or as otherwise specified in the applicable Pricing Supplement) at their Early Redemption Amount as specified in the applicable Pricing Supplement together with accrued interest (including Arrears of Interest) up to but excluding the date of redemption.

For the purpose of this Condition 7(e):

"Regulatory Event" means that the Issuer is (i) subject to consolidated regulatory supervision by the Relevant Supervisory Authority (as defined above), and (ii) the Issuer is not permitted under the applicable rules and regulations adopted by the Relevant Supervisory Authority or an official application or interpretation of those rules and regulations including a decision of any court or tribunal at any time whilst any of the Notes are outstanding to treat the aggregate principal amount of such Subordinated Notes as own funds for the purposes of the determination of its solvency margin or capital adequacy ratios.

(f) Early Redemption Amounts

For the purpose of paragraph (b) above and Condition 10, each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Note is denominated, at the amount specified in, or determined in the manner specified in, the applicable Pricing Supplement or, if no such amount or manner is so specified in the applicable Pricing Supplement, at its nominal amount; or
- (iii) in the case of a Zero Coupon Note, at an amount (the "Amortised Face Amount") calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = RP \times (1 + AY)^y$$

"RP" means the Reference Price

"AY" means the Accrual Yield expressed as a decimal; and

"y" is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Pricing Supplement.

(g) Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (f) above.

(h) Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Pricing Supplement.

(i) Purchases

The Issuer or any subsidiary of the Issuer may at any time purchase Notes (provided that, in the case of definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike.

(j) Cancellation

All Notes which are redeemed or purchased by the Issuer will forthwith be forwarded to the Principal Paying Agent to be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption) and cannot be reissued or resold.

(k) Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (f)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Principal Paying Agent or the Registrar and notice to that effect has been given to the Noteholders in accordance with Condition 14.

8. TAXATION

(a) *Tax Exemption*

The Notes being issued outside France, interest and other revenues in respect of the Notes, Receipts and Coupons benefit from the exemption provided for in Article 131 *quater* of the *Code Général des Impôts* (the French General Tax Code) from deduction of tax at source. Accordingly, such payments do not give the right to any tax credit from any French source.

(b) *Additional Amounts*

If French law should require that any payments in respect of the Notes, Receipts or Coupons be subject to deduction or withholding with respect to any present or future taxes, duties, assessments or other governmental charges whatsoever imposed or levied by or on behalf of France or any political subdivision of, or any authority therein or thereof having power to tax, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such deduction or withholding shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon presented for payment:

- (i) by or on behalf of a Noteholder, Receiptholder or Couponholder (including a beneficial owner (*ayant droit*)) who is liable for such taxes, duties, assessments or other governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with France other than the mere holding of (or beneficial ownership with respect to) such Note, Receipt or Coupon; or

- (ii) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iii) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder, as the case may be, who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (iv) more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day.

As used herein, the “Relevant Date” in relation to any Note means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Principal Paying Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

Any reference in these Terms and Conditions to principal or Interest or both in respect of the Notes shall be deemed to include (i) a reference to any additional amounts which may be payable under this Condition, (ii) in relation to Zero Coupon Notes, the Amortised Face Amount, (iii) in relation to Index Linked Notes, the Redemption or Early Redemption Amounts (iv) in relation to Dual Currency Notes, the principal or interest in the relevant Specified Currency, (v) in relation to Instalment Notes, the Instalment Amount, (vi) in relation to Notes subject to an Issuer Call or an Investor Put, the Optional Redemption Amounts and (vii) any premium and any other amounts which may be payable in respect of the Notes.

9. PRESCRIPTION

The Notes (whether in bearer or registered form), Receipts and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 8) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

10. EVENTS OF DEFAULT AND ENFORCEMENT EVENTS

(a) *Events of Default relating to Senior Notes*

If any one or more of the following events (each an “Event of Default”) shall occur with respect to any Senior Note:

- (i) if default is made in the payment of any principal, premium (if any) or interest due in respect of the Notes or any of them and the default continues for a period of 15 days in the case of principal or premium (if any) and 15 days in the case of interest; or
- (ii) if the Issuer fails to perform or observe any of its other obligations under these Terms and Conditions and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 days next following the service by a Noteholder on the Issuer of notice requiring the same to be remedied; or
- (iii) any other present or future indebtedness of the Issuer for borrowed monies in excess of €150,000,000 (or its equivalent in any other currency), whether individually or in the aggregate, becomes due and payable prior to its stated maturity as a result of a default thereunder, or if any such indebtedness shall not be paid when due or, as the case may be, within any applicable grace period therefor or any steps shall be taken to enforce any security in respect of any such indebtedness or any guarantee given by the Issuer

for, or in respect of, any such indebtedness of others shall not be honoured when due and called upon; or

- (iv) if the Issuer makes any proposal for a general moratorium in relation to its debt or applies for the appointment of a conciliator (*conciliateur*) or enters into an amicable settlement (*accord amiable*) with its creditors or a judgment is issued for the judicial liquidation (*liquidation judiciaire*) or for a judicial transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or, to the extent permitted by applicable law, if the Issuer makes any conveyance, assignment or other arrangement for the benefit of its creditors generally or if the Issuer is subject to any other insolvency or bankruptcy proceedings, or if the Issuer is wound up or dissolved except in connection with a merger where the entity resulting from such merger assumes all the obligations of the Issuer under the Senior Notes;

then any holder of a Note may, by written notice to the Issuer at the specified office of the Principal Paying Agent, effective upon the date of receipt thereof by the Principal Paying Agent, declare any Notes held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Early Redemption Amount (as described in Condition 8(e)), together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

(b) *Enforcement Events relating to Subordinated Notes*

In the case of Subordinated Notes and in accordance with paragraphs 3(b) and 3(c), if any judgment shall be issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, then the Subordinated Notes shall become immediately due and payable in accordance with paragraphs 3(b) and 3(c), at their principal amount together with any accrued interest (including Arrears of Interest) to the date of payment.

11. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent (in the case of Bearer Notes, Receipts or Coupons) or the Registrar (in the case of Registered Notes) upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. AGENTS

The names of the initial Agents and their initial specified offices are set out below.

The Issuer is entitled to vary or terminate the appointment of any Agent and/or appoint additional or other Agents and/or approve any change in the specified office through which any Agent acts, provided that:

- (a) there will at all times be a Principal Paying Agent and a Registrar;
- (b) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent and a Transfer Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange;
- (c) so long as any of the Registered Global Notes payable in a Specified Currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in New York City; and
- (d) if any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to such Directive is introduced, the Issuer will ensure that, to the extent possible, it maintains a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to any such Directive or law.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 6(e). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

In acting under the Agency Agreement, the Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

13. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9.

14. NOTICES

All notices regarding the Bearer Notes will be deemed to be validly given if published (i) in a leading English language daily newspaper of general circulation in London (ii) if and for so long as the Bearer Notes are listed on the Luxembourg Stock Exchange, a daily newspaper of general circulation in Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange on which the Bearer Notes are for the time being listed. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

All notices regarding the Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange and the rules of that stock exchange so require, such notice will be published in a daily newspaper of general circulation in the place or places required by the rules and regulations of that stock exchange.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or DTC for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange and the rules of that stock exchange so require, such notice will be published in a daily newspaper of general circulation in the place or places required by the rules and regulations of that stock exchange. Any such notice shall be deemed to have been given to the holders of the Notes on the seventh day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg and/or DTC.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Principal Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent or the Registrar through Euroclear and/or Clearstream, Luxembourg and/or DTC, as the case may be, in such manner as the Principal Paying Agent, the Registrar and Euroclear and/or Clearstream, Luxembourg and/or DTC, as the case may be, may approve for this purpose.

15. MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Receipts, the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer or Noteholders holding not less than ten per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes, the Receipts or the Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, the Receipts or the Coupons), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

The Principal Paying Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification (except as mentioned above) of the Notes, the Receipts, the Coupons or the Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

If the Notes are Subordinated Notes, in the event that the Issuer is regulated and supervised on a consolidated basis in France, any modifications of any of these Terms and Conditions shall be subject to the approval of the Relevant Supervisory Authority.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

16. FURTHER ISSUES

- (i) The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes (*assimilables*) or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.
- (ii) The Issuer may also from time to time, without the consent of the Noteholders, on giving not less than 30 days' prior notice to the Noteholders, consolidate Notes denominated or redenominated in euro with one or more issues of other notes ("Other Notes") issued by it and denominated in the currency of any of the member States of the European Union provided that such Other Notes are denominated in, or have been redenominated into euro and otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

In the event of any such consolidation, the Issuer may, without the consent of the Noteholders, provide for additional, and/or substitute denominations of such Notes.

Notice of any such consolidation and/or provision of additional or substitute denominations will be given to the Noteholders in accordance with Condition 14.

17. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

18. GOVERNING LAW AND SUBMISSION TO JURISDICTION

(a) Governing law and submission to jurisdiction

The Agency Agreement, the Deed of Covenant, the Notes, the Receipts and the Coupons are governed by, and shall be construed in accordance with, English law, other than the provisions of Conditions 3(b) and (c) which (if applicable) are governed by, and shall be construed in accordance with, French law.

The Issuer agrees, for the exclusive benefit of the Noteholders, the Receiptholders and the Couponholders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Receipts and/or the Coupons and that accordingly any suit, action or proceedings (together referred to as "Proceedings") arising out of or in connection with the Notes, the Receipts and the Coupons may be brought in such courts.

The Issuer hereby irrevocably waives any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum and hereby further irrevocably agrees that a judgment in any such Proceedings brought in the English courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.

Nothing contained in this Condition shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

(b) Appointment of Process Agent

The Issuer appoints AXA UK plc at its principal office at 107 Cheapside, London EC2V 6DU as its agent for service of process, and undertakes that, in the event of AXA UK plc ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

(c) Other documents

The Issuer has in the Agency Agreement, and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied by the Issuer for its general corporate purposes.

(b) 2000 per ordinary share data restated for the effect of the 4-for-1 stock split approved by the shareholders at the annual general meeting held on May 9, 2001.

(c) Adjusted earnings represents AXA's consolidated net income before goodwill amortization and exceptional operations. Adjusted earnings is a non-GAAP measure, which management believes provides a meaningful understanding of the results. It should be noted that "Adjusted earnings" as defined may not be comparable with similarly-titled measures reported by other companies as it is not defined under French GAAP or US GAAP.

(d) The exceptional operations included:

In 2002:

- the realized capital gain on the sale of AXA Australia Health activities (National Mutual Health Insurance – €87 million Group share);
- an exceptional profit of €148 million in Alliance Capital due to the partial release (€277 million) of the provision set up in 2000 to offset the dilution gain recorded when acquiring Sanford C, Bernstein, Inc. This release was due to the buy-back of 8.16 million private units in Alliance Capital to the former shareholders of Sanford Bernstein, after these shareholders exercised their liquidity put options. This operation generated an additional goodwill for €122 million that was entirely amortized during the year (€129 million).

In 2000:

- the consolidated net realized gain on the sale of Donaldson, Lufkin & Jenrette (“DLJ”), which totaled €2,004 million net Group share (€2,071 million net Group share and net of realized and unrealized losses on Credit Suisse Group shares received in respect of that transaction of €67 million);
- realized losses and valuation allowances of €236 million (net Group share) relating primarily to the Equitable Life high yield bond portfolio as a result of broad weaknesses in credit markets from a slowing economy during the third and fourth quarter of 2000, coupled with a review of investment strategy following AXA’s acquisition of the minority interests in AXA Financial; and
- provision of €125 million recorded during the period in connection with the sale of Banque Worms.

DESCRIPTION OF THE ISSUER

The registered office of AXA is situated at 25, avenue Matignon, 75008 Paris, France. AXA is a *société anonyme à directoire et conseil de surveillance* governed by French law, in particular by law No. 66-537 of July 24, 1966 as codified in the French Commercial Code. AXA was founded on November 5, 1852 and AXA's legal term will expire on December 31, 2059, in the absence of prior discussion or of extension of such term. AXA is registered with the *Registre du Commerce et des Sociétés de Paris* under number 572 093 920.

The Company is the holding company for AXA, a worldwide leader in financial protection and wealth management. Based on available information at December 31, 2001, AXA was the French, European and world's largest insurance group, with consolidated gross revenues of €74.7 billion for the year ended December 31, 2002. AXA is also one of the world's largest asset managers, with total assets under management as at December 31, 2002 of €742 billion, including assets managed on behalf of third party clients of €376 billion. Based on available information at December 31, 2001, AXA was the world's 6th largest asset manager with total assets under management of €910 billion.

AXA operates primarily in Western Europe, North America and the Asia Pacific region and, to a lesser extent, in other regions including the Middle East, Africa and South America. AXA has five operating business segments: Life & Savings, Property & Casualty, International Insurance (including reinsurance), Asset Management, and Other Financial Services. In addition, various holding companies within the AXA Group conduct certain non-operating activities.

Life & Savings Segment

AXA's Life & Savings segment offers a broad range of Life insurance products primarily in France, the United States, the United Kingdom, Japan, Germany and Belgium, as well as in certain other countries in Western Europe, North America and the Asia/Pacific region. These products include both retirement products as well as Health insurance products for both individuals and groups (that is corporate clients), with an emphasis on savings related products including separate account (unit-linked) products. The Life & Savings segment accounted for €48.6 billion or 65% of AXA's consolidated gross premiums and financial services revenues for the year ended December 31, 2002 (2001: €48.4 billion or 65%).

Property & Casualty Segment

AXA's Property & Casualty segment offers a range of personal and commercial insurance products principally in France, Germany, the United Kingdom and Belgium, and to a lesser extent in other countries in Western Europe, North America and the Asia/Pacific region. The Property & Casualty segment accounted for €15.9 billion, or 21% of AXA's consolidated gross premiums and financial services revenues for the year ended December 31, 2002 (2001: €15.9 billion or 21% respectively).

International Insurance Segment

AXA's International Insurance segment business is primarily conducted by AXA Corporate Solutions, which includes both reinsurance activities (AXA Corporate Solutions Reinsurance) and large risks insurance (AXA Corporate Solutions Insurance). With effect from November 15, 2002, the parent company and reinsurance company have changed their name back to "AXA RE" while its large risk insurance subsidiary retained its name. This change will be reflected in future publications.

The business operations of AXA Corporation Solutions are described below.

- AXA Corporate Solutions Reinsurance focuses on its reinsurance business, principally property and catastrophe business as well as some other profitable niches. Such business is underwritten in Paris, the United Kingdom, Canada, Miami (for South American business) and Singapore.

In January 2003,

- AXA announced that it would (i) cease underwriting and renewing contracts on life and non-life reinsurance businesses through its U.S. subsidiaries, and (ii) cease U.S. financial guarantee reinsurance activities carried by AXA Re Finance.

- A separate service company called AXA Liabilities Managers was created to manage the discontinued insurance business, that is, business in “run-off”. Previously, these operations were managed within the AXA Corporate Solutions Reinsurance operations in France and the United Kingdom.
- AXA Corporate Solutions Insurance focuses its activities on large risk Property & Casualty insurance business for large corporate clients in Europe, as well as in the marine and aviation lines for all clients on a worldwide basis.

The International Insurance segment accounted for €5.8 billion, or 8% of AXA's consolidated gross premiums and financial services revenues for the year ended December 31, 2002 (2001: €5.7 billion or 8%, respectively).

Asset Management Segment

Asset Management is important to AXA, from both a strategic and profitability perspective. The development of Asset Management activities is a key part of AXA's financial services strategy, which seeks to capitalize on existing strengths and to expand the client base. AXA has Asset Management specialists in each of its major markets: Western Europe, the United States and the Asia/Pacific region. This strategy is founded on the belief that its Asset Management expertise will enable AXA to benefit in the future from the expected growth in savings-related products in the markets in which it operates. The Asset Management segment accounted for €3.4 billion, or 5% of AXA's consolidated gross premiums and financial services revenues for the year-ended December 31, 2002 (2001: €3.7 billion or 5%, respectively).

Other Financial Services Segment

The operations in the Other Financial Services segment are conducted primarily in Belgium and in France. For the year ended December 31, 2002, the Other Financial Services segment accounted for €1.0 billion, or 1% of AXA's consolidated gross premiums and financial services revenues (2001: €1.1 billion or 2%, respectively).

RECENT DEVELOPMENTS

A. INTERIM FINANCIAL STATEMENTS

On August 12, 2003 AXA published its unaudited consolidated financial statements for the half year period to June 30, 2003.

	1H 2003	1H 2002	Change	Change at constant exchange rate

Net income, group share

Net income, Group share, decreased 75% to €209 million in first half 2003 from €837 million in the same period last year.

- Adjusted earnings were down 68% to €363 million in first half 2003, as they were strongly impacted by impairments. Japan Life & Savings, particularly impacted by significant impairments, represented €311 million of the €783 million decrease in AXA's adjusted earnings from first half 2002.
- Goodwill amortization decreased by €19 million compared to first half 2002, but was stable on a constant exchange rate basis.
- First half 2003 net income included €137 million related to exceptional operations:
 - the sales of the Austrian and Hungarian subsidiaries (€40 million), of Auxifina in Belgium (€15 million) and of Members' Equity in Australia (€11 million),
 - a €71 million non-recurring profit (net of the goodwill effect described below) following a review of tax positions related to periods prior to the 1991 acquisition of a majority ownership in The Equitable Inc. (renamed AXA Financial in 1999). The comprehensive deferred tax review impact was partly compensated by an exceptional amortization for €–108 million of the goodwill recorded in 2000 when acquiring the minority interests of AXA Financial.

Adjusted earnings

Adjusted earnings were €363 million compared to €1,146 million in first half 2002. This €783 million decrease was due to a €935 million deterioration in net capital gains attributable to shareholders, partly offset by underlying earnings up 6% and no further adjustment to the claims reserve associated with September 11, 2001 attacks in first half 2003, versus €89 million, net of tax and reinsurance, in first half 2002.

Net capital gains/losses attributable to shareholders

Net capital losses attributable to shareholders were €–722 million in the first half of 2003, compared to gains of €213 million in the same period last year. In the first six months of 2003, net capital losses included €1,106 million, net Group share (€1,940 million, gross), of valuation allowances for impairment⁽⁵⁾ on equity securities and mutual funds, compared to €225 million last year (€302 million, gross).

First half 2003 net capital losses also included valuation allowances for impairment on bonds, which were more than offset by realized capital gains, most of which on the exchange of Crédit Lyonnais shares for cash and Crédit Agricole shares (representing a realized capital gain of €442 million).

⁽⁵⁾ Reflecting the application of CNC (Conseil National de la Comptabilité) regulation in the context of the low recovery of financial markets, while still volatile, during the first six months of 2003.

Underlying earnings

Underlying earnings increased by 6% to 1,085 million from €1,022 million last year, owing to solid operating performances across business lines that more than offset the negative impact of the Euro strengthening versus all other currencies (depreciation⁽⁶⁾ versus the Euro of 19% for the US dollar and of 9% for both the British Pound and the Japanese Yen) and the decline in Life & Savings and Asset Management's fees and commissions due to the depreciation in the financial markets.

At constant exchange rate, the Group's underlying earnings increased by 15%.

	1H 2003	1H 2002	Change	Change on comparable basis ⁽⁷⁾
			(Euro million)	
Life & Savings	680	888	– 23%	– 10%
Property & Casualty	402	228	+ 76%	+ 49%
Asset Management	107	147	– 27%	– 14%
International Insurance	50	(28)	—	—
Other Financial Services	99	36	—	—
Holdings	(254)	(249)	—	—
Total Underlying Earnings	1,085	1,022	+ 6%	+ 15%

Life & Savings underlying earnings held up well at €680 million, down 23% from first half 2002. Adjusted for exchange rate and the transfer of UK Health from Life & Savings to Property & Casualty, underlying earnings were down 10%, as expense reductions were offset by higher commissions, related to strong growth in new business, and by slightly lower investment margin and fees and revenues.

Investment margin, excluding net capital gains and losses attributable to shareholders, decreased in most countries, except Germany, Belgium and Hong-Kong, as negative currency impacts and lower investment income were only partially offset by lower crediting rates paid to policyholders.

In the United States, the investment margin decrease was solely due to the depreciation of the US dollar. At constant exchange rate, the investment margin increased from first half 2002, as lower crediting rates paid to policyholders more than offset the combined effects of lower yields and higher general account balance.

Fees and revenues decreased in major countries, except France, Germany and Belgium, in line with the decline in average separate account assets due to falling equity markets and to negative currency impact. In the United States, the average separate account balance at constant exchange rate declined by 8% between first half 2002 and first half 2003. However, end-of-period separate account assets were higher than their average level over the first half.

France, Germany and Belgium's increased fees on general account products were the result of new business growth and more than offset their lower fees on separate accounts.

On a constant currency basis, Japan's fees and revenues actually increased 1%, driven by a continuing product-mix shift towards high margin products.

Technical margin declined, mostly due to the United States, the United Kingdom and Japan, but was flat on a constant exchange rate basis. The United States technical margin decreased by €57 million from first half 2002, of which €54 million due to the Euro strengthening. The remaining €4 million were the result of higher reinsurance assumed losses and less favorable life mortality, partly offset by lower benefits related to Guaranteed Minimum Death Benefit (GMDB) and Guaranteed Minimum Income Benefit (GMIB) features on annuity products.

The United Kingdom was impacted by a €45 million annuity reserves' strengthening in line with improving life expectancies and lower expected long-term investment returns.

⁽⁶⁾ Average exchange rate in first half 2003 compared to average rate in first half 2002.

⁽⁷⁾ Adjusted for currency changes and for transfer of UK Health from Life & Savings to Property & Casualty.

Japan was affected by reserves' strengthening on Medical Term anticipated conversions (€38 million), partly offset by higher surrenders and conversions of individual annuity products offering high guaranteed rates.

Expenses were flat on a constant exchange rate basis as the Group's continued efforts to reduce its cost base were offset by higher commissions resulting from growing new business, particularly in the United States and Japan.

Income tax expense decreased due to lower taxable earnings compared to half year 2002.

Property & Casualty underlying earnings were €402 million, up €174 million from first half 2002, owing to a 4.0 point improvement in the combined ratio to 101.8%⁽⁸⁾ in first half 2003 from 105.8% in first half 2002. On a comparable scope basis, the combined ratio improved by 2.9 points as a result of a better operational performance in most countries following both technical improvement and lower expenses. Additionally, first half 2002 was impacted by storms in Germany, while first half 2003 was mild in term of weather-related events.

The *current accident year loss ratio* improved 2.6 points to 77.4% and the all accident year loss ratio improved by 1.9 points (1.5 points on a comparable scope basis) to 75.0%.

As a result of the Group's continued efforts to reduce its cost base, the expense ratio decreased by 2.1 points (1.4 points on a comparable scope basis) to 26.7%.

The *reserves to earned premiums ratio* was strong at 198% at June 30, 2003 versus 207% at December 31, 2002 and 214% at June 30, 2002. The decrease from half-year and year-end 2002 ratios was primarily due to the inclusion of the UK Health business. On a comparable scope basis, the reserves to earned premiums ratio would have been 196% at end 2002 and 197% at June 30, 2002.

Asset Management underlying earnings were €107 million, down €40 million, or €20 million on a constant exchange rate basis, from first half 2002, completely due to Alliance Capital's lower underlying earnings.

Alliance Capital results reflected lower fees, commissions and other revenues, in line with lower average Assets Under Management (AUM), down 9%, partly offset by a 9% decline in expenses. Alliance cost income ratio⁽⁹⁾ improved to 70.8% in 2Q03 from 76.1% in 1Q03.

AXA Investment Managers' underlying earnings were flat compared to last year, as lower management fees stemming from an unfavorable change in client-mix towards lower-fee segments were offset by a decrease in expenses. AXA Investment Managers cost income ratio improved to 76.0% in 2Q03 from 83.5% in 1Q03.

AUM managed by Alliance Capital and AXA Investment Managers increased 2% to €648 billion at June 30, 2003 from year-end 2002, as net long-term inflows of €13 billion and market appreciation of €36 billion more than offset the negative currency impact of €38 billion and short-term cash management outflows of €1 billion at Alliance.

For the first time since 2000, Asset Management companies are ending a reporting period with AUM higher than the average level of AUM for the period.

International Insurance underlying earnings were €50 million, an increase of €78 million from first half 2002, due to both AXA RE and AXA Corporate Solutions Insurance (AXA CS Insurance) much improved technical results.

AXA RE underlying earnings increased by €38 million to €16 million in the first half of 2003, mostly as a result of improved technical margin, due to a lower cost of covers partly offset by a decrease in net attritional margin related to a sharp reduction in earned premiums, as well as lower technical life results reflecting the impact of the drop in long-term interest rates. Thus, AXA RE combined ratio, excluding the cost of September 11 attacks in first half 2002, improved by 4.6 points to 105.1%.

AXA CS Insurance underlying earnings increased by €38 million to €17 million in the first half of 2003, mostly due to better technical results driven by positive loss reserve adjustments on recent

⁽⁸⁾ First half 2003 numbers exclude the UK discontinued business transferred to the International Insurance segment and include UK Health activities. On a comparable scope basis, first half 2002 combined ratio would have been 104.6%.

⁽⁹⁾ Operating expenses divided by gross revenues (including performance fees).

accident years for aviation and the non-recurrence of the 2002 reserve strengthening. As a result, excluding the cost of September 11 attacks in first half 2002, AXA CS Insurance combined ratio improved by 12.7 points to 103.0%.

Other Financial Services underlying earnings increased by €63 million to €99 million in first half 2003, attributable to a higher banking margin at AXA Bank Belgium and to a favorable development on some run-off business.

Disciplined capital and financial structure management

Gross unrealized capital losses on equity investments⁽¹⁰⁾ (€2.9 billion, representing 8.0% of equity investments' book value) are more than offset by gross unrealized capital gains on fixed income securities and real estate. As a consequence, gross unrealized capital gains⁽¹¹⁾, excluding Alliance Capital, amounted to €13.3 billion as June 30, 2003, up 89% or €6.3 billion compared to December 31, 2002. This increase was mostly the result of:

- €4.3 billion higher gross unrealized capital gains on fixed income securities⁽¹²⁾,
- €2.1 billion of valuation allowances for impairment on bonds and equity securities, and
- Rising equity markets partly offset by continued strengthening of the Euro.

Of these €13.3 billion, the net unrealized capital gains attributable to shareholders were €4.0 billion as of June 30, 2003, versus €1.6 billion at year-end 2002.

As a result of the higher unrealized capital gains and the lower required minimum capital, consequence of the Euro strengthening and of the restructuring of some operations, the AXA Group's European consolidated solvency margin⁽¹³⁾ was 212% based on June 30, 2003 estimates, versus 172% at December 21, 2002 and 179% at June 30, 2002.

⁽¹⁰⁾ Excluding fixed income mutual funds.

⁽¹¹⁾ With Japan unrealized capital gains/losses as of calendar 06/30/03.

⁽¹²⁾ Including fixed income mutual funds.

⁽¹³⁾ Includes a limited fraction of future profits (€2.1 billion as of both 06/30/03 and 12/31/02, and €1.9 billion as of 06/30/02).

B. ACQUISITION OF MONY GROUP, INC.

AXA announced in a press release on September 17, 2003 that the Board of Directors of its U.S. subsidiary, AXA Financial, Inc., and the Board of Directors of MONY Group, Inc. approved a definitive merger agreement under which AXA Financial will acquire 100 per cent. of MONY's outstanding common shares through a cash merger valued at \$1.5 billion (€1.3 billion).

MONY is a U.S. life insurance group, headquartered in New York State which, through its various subsidiaries, manufactures and distributes life insurance, asset accumulation and retail brokerage products and services to individuals, corporations and institutions through advisory and wholesale distribution channels.

Under the terms of the merger agreement, MONY shareholders will receive \$31 in cash for each share of MONY's common stock they own. This represents a premium of 6.2 per cent. based on MONY's September 16 closing price, 10.5 per cent. based on MONY's 30 days average price and is 31.9 per cent. above the 1998 IPO price.

Closing and conditions of the transaction

The transaction is subject to the approval of MONY shareholders, to obtaining required regulatory approvals and to other customary closing conditions. Closing is expected in the first half of 2004.

Financing of the transaction

In order to finance the contemplated acquisition, AXA intends to raise €1.4 billion (\$1.6 billion) of capital.

The offering will be in the form of bonds which are redeemable either in shares or in cash. The bonds are issued upon exercise of rights freely allocated to each shareholder.

Rights will be allocated for every share held after market close on September 19, 2003. These rights will be negotiated on the *Premier Marché* of Euronext Paris, from September 22 to October 3, 2003: the rights will be exercisable throughout this period. 16 rights will be required to subscribe to 1 bond, each with a nominal value of €12.75. The bonds will be issued and listed as of October 21, 2003.

Each bond will be automatically redeemed by the issuance of one new ordinary AXA share upon the closing date of the acquisition. If the acquisition is not completed, and at the latest on December 21, 2004, the bonds will be redeemed in cash, at par together with accrued interest at a fixed rate of 2.4 per cent.

Mutuelles AXA and FINAXA which respectively hold 2.77 per cent. and 17.62 per cent. of AXA's capital, have undertaken to subscribe to their full share capital entitlement. The remainder of the issue has been irrevocably and unconditionally underwritten by a syndicate of banks.

The nominal value of €12.75 represents a discount of 23.7 per cent. compared to the volume weighted average price of the AXA share, as calculated between the opening and 2.00 pm CET on September 17, 2003.

The offering is described in the *Note d'opération* which received Visa N°03807 on September 17, 2003 from the French Commission des Opérations de Bourse. The *Note d'opération* is available on AXA's website at: www.axa.com.

BOOK-ENTRY CLEARANCE SYSTEMS

The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear or Clearstream, Luxembourg together, the "Clearing Systems") currently in effect. The information in this section concerning the Clearing Systems has been obtained from sources that the Issuer believes to be reliable, but none of the Issuer nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuer nor any other party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Notes held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Book-entry Systems

DTC

DTC has advised the Issuer that it is a limited purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to Section 17A of the Exchange Act. DTC holds securities that its participants ("*Participants*") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc. Access to the DTC System is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("*Indirect Participants*").

Under the rules, regulations and procedures creating and affecting DTC and its operations (the "*Rules*"), DTC makes book-entry transfers of Registered Notes among Direct Participants on whose behalf it acts with respect to Notes accepted into DTC's book-entry settlement system ("*DTC Notes*") as described below and receives and transmits distributions of principal and interest on DTC Notes. The Rules are on file with the Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Notes ("*Owners*") have accounts with respect to the DTC Notes similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Owners. Accordingly, although Owners who hold DTC Notes through Direct Participants or Indirect Participants will not possess Registered Notes, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interest with respect of the DTC Notes.

Purchases of DTC Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Notes on DTC's records. The ownership interest of each actual purchaser of each DTC Note ("*Beneficial Owner*") is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Notes are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Notes, except in the event that use of the book-entry system for the DTC Notes is discontinued.

To facilitate subsequent transfers, all DTC Notes deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of DTC Notes with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Notes are credited, which may or may not be the

Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the DTC Notes within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to DTC Notes. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the DTC Notes will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the due date for payment in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the due date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

Under certain circumstances, including if there is an Event of Default under the Notes, DTC will exchange the DTC Notes for definitive Registered Notes, which it will distribute to its Participants in accordance with their proportionate entitlements and which, if representing interests in a Rule 144A Global Note, will be legended as set forth under "*Subscription and Sale and Transfer and Selling Restrictions*".

Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Owner desiring to pledge DTC Notes to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Notes, will be required to withdraw its Registered Notes from DTC as described below.

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each hold securities for their customers and facilitate the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream, Luxembourg customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Book-entry Ownership of and Payments in respect of DTC Notes

The Issuer will apply to DTC in order to have each Tranche of Notes represented by Registered Global Notes accepted in its book-entry settlement system. Upon the issue of any Registered Global

Notes, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Registered Global Notes to the accounts of persons who have accounts with DTC. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in a Registered Global Note will be limited to Direct Participants or Indirect Participants, including the respective depositaries of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in a Registered Global Note will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Registered Global Note registered in the name of DTC's nominee will be made to the order of such nominee as the registered holder of such Note. In the case of any payment in a currency other than U.S. dollars, payment will be made to the Exchange Agent on behalf of DTC's nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Registered Global Notes in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

The Issuer expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. The Issuer also expects that payments by Participants to beneficial owners of Notes will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Participant and not the responsibility of DTC, the Principal Paying Agent, the Registrar or the Issuer. Payments of principal, premium, if any, and interest, if any, on Notes to DTC is the responsibility of the Issuer.

Transfers of Notes Represented by Registered Global Notes

Transfers of any interests in Notes represented by a Registered Global Note within DTC, Euroclear and Clearstream, Luxembourg will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Notes represented by a Registered Global Note to such persons may depend upon the ability to exchange such Notes for Notes in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Notes represented by a Registered Global Note to pledge such Notes to persons or entities that do not participate in the DTC system or to otherwise take action in respect of such Notes may depend upon the ability to exchange such Notes for Notes in definitive form. The ability of any holder of Notes represented by a Registered Global Note to resell, pledge or otherwise transfer such Notes may be impaired if the proposed transferee of such Notes is not eligible to hold such Notes through a direct or indirect participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Notes described under *"Subscription and Sale and Transfer and Selling Restrictions"*, cross-market transfers between DTC, on the one hand, and directly or indirectly through Clearstream, Luxembourg or Euroclear accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Registrar, the Fiscal Agent and any custodian (*"Custodian"*) with whom the relevant Registered Global Notes have been deposited.

On or after the Issue Date for any Series, transfers of Notes of such Series between accountholders in Clearstream, Luxembourg and Euroclear and transfers of Notes of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg and Euroclear, on the other, transfers of interests in the relevant Registered Global Notes will be effected through the Registrar, the Fiscal Agent and the Custodian receiving instructions (and where

appropriate certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Clearstream, Luxembourg and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Notes among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuer, the Agents or any Dealer will be responsible for any performance by DTC, Clearstream, Luxembourg or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Notes represented by Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TAXATION

France

Payments in respect of Notes issued by the Issuer will be made without withholding or deduction for, or on account of, taxes imposed by or on behalf of France as provided by article 131 quater of the French General Tax Code (*code général des impôts*) if the Notes are issued outside France. Notes constituting “obligations” under French law will be issued (or deemed to be issued) outside France:

- (i) in the case of syndicated or non-syndicated issues of Notes, if they are denominated in euro, as provided in the Circular of the Direction Générale des Impôts dated 30th September, 1998;
- (ii) in the case of internationally syndicated issues of Notes denominated in currencies other than euro, if, inter alia, the Issuer and the relevant Dealers agree, in connection with their initial distribution, not to offer the Notes to the public in France. Such securities may be offered in France only to “qualified investors” (*investisseurs qualifiés*) as described in Article L 411-2 of the French *Code Monétaire et Financier*; or
- (iii) in the case of non-syndicated issues of Notes denominated in currencies other than euro, if each of the subscribers is domiciled or resident for tax purposes outside France.

The French tax regime applicable to Notes which do not constitute “obligations” will be set out in the relevant Pricing Supplement.

U.K. Taxation

The following applies only to persons who are the beneficial owners of Notes and is a summary of the Issuer’s understanding of current law and practice in the United Kingdom relating only to United Kingdom withholding tax treatment of payments of principal and interest in respect of Notes. It does not deal with any other United Kingdom taxation implications of acquiring, holding or disposing of Notes. Prospective Noteholders who may be subject to tax in a jurisdiction other than the United Kingdom or who may be unsure as to their tax position should seek their own professional advice.

Payments of interest on the Notes may be made without withholding on account of United Kingdom income tax.

However, Noteholders who are individuals may wish to note that the Inland Revenue has power to obtain information (including the name and address of the beneficial owner of the interest) from any person in the United Kingdom who either pays interest to or receives interest for the benefit of an individual. The Inland Revenue also has power to obtain information from any person in the United Kingdom who pays amounts payable on the redemption of Notes which are relevant discounted securities for the purposes of the Finance Act 1996 to or receives such amounts for the benefit of an individual. Such information may include the name and address of the beneficial owner of the amount payable on redemption. Any information obtained may, in certain circumstances, be exchanged by the Inland Revenue with the tax authorities of the jurisdiction in which the Noteholder is resident for tax purposes.

Proposed EU Savings Directive

On 3rd June, 2003, the European Council of Economics and Finance Ministers agreed on proposals under which Member States will be required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State, except that, for a transitional period, Belgium, Luxembourg and Austria will instead be required to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). The proposals are anticipated to take effect from 1st January, 2005.

SUBSCRIPTION AND SALE AND TRANSFER AND SELLING RESTRICTIONS

The Dealers have in an amended and restated programme agreement (the “Programme Agreement”) dated 10th October, 2003 agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. The Issuer may also agree directly with any third party (other than a Dealer) to issue to such Purchaser under the Programme. Any such agreement will extend to those matters stated under “Form of the Notes” and “Terms and Conditions of the Notes”. In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

In order to facilitate the offering of any Tranche of the Notes, certain persons participating in the offering of the Tranche may engage in transactions that stabilise, maintain or otherwise affect the market price of the relevant Notes during and after the offering of the Tranche. Specifically such persons may over-allot or create a short position in the Notes for their own account by selling more Notes than have been sold to them by the Issuer. Such persons may also elect to cover any such short position by purchasing Notes in the open market. In addition, such persons may stabilise or maintain the price of the Notes by bidding for or purchasing Notes in the open market and may impose penalty bids, under which selling concessions allowed to syndicate members or other broker-dealers participating in the offering of the Notes are reclaimed if Notes previously distributed in the offering are repurchased in connection with stabilisation transactions or otherwise. The effect of these transactions may be to stabilise or maintain the market price of the Notes at a level above that which might otherwise prevail in the open market. The imposition of a penalty bid may also affect the price of the Notes to the extent that it discourages resales thereof. No representation is made as to the magnitude or effect of any such stabilising or other transactions. Such transactions, if commenced, may be discontinued at any time. Under U.K. laws and regulations stabilising activities may only be carried on by the Stabilising Manager named in the applicable Pricing Supplement and only for a period of 30 days following the Issue Date of the relevant Tranche of Notes.

Transfer Restrictions

As a result of the following restrictions, purchasers of Notes in the United States are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Notes.

Each purchaser of Registered Notes (other than a person purchasing an interest in a Registered Global Note with a view to holding it in the form of an interest in the same Global Note) or person wishing to transfer an interest from one Registered Global Note to another or from global to definitive form or vice versa, will be required to acknowledge, represent and agree as follows (terms used in this paragraph that are defined in Rule 144A or in Regulation S are used herein as defined therein):

1. that either: (a) it is a QIB, purchasing (or holding) the Notes for its own account or for the account of one or more QIBs and it is aware that any sale to it is being made in reliance on Rule 144A or (b) it is outside the United States and is not a U.S. person;
2. that the Notes are being offered and sold in a transaction not involving a public offering in the United States within the meaning of the Securities Act, and that the Notes have not been and will not be registered under the Securities Act or any other applicable U.S. State securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except as set forth below;
3. that, unless it holds an interest in a Regulation S Global Note and either is a person located outside the United States or is not a U.S. person, if in the future it decides to resell, pledge or otherwise transfer the Notes or any beneficial interests in the Notes, it will do so, prior to the date which is two years after the later of the last Issue Date for the Series and the last date on which the Issuer or an affiliate of the Issuer was the owner of such Notes, only (a) to the Issuer or any affiliate thereof, (b) inside the United States to a person whom the seller reasonably believes is a QIB purchasing for its own account or for the account of a QIB in a transaction meeting the requirements of Rule 144A, (c) outside the United States in compliance with Rule 903 or Rule 904 under the Securities Act, (d) pursuant to the exemption from registration provided by Rule 144 under the Securities Act (if available) or

- (e) pursuant to an effective registration statement under the Securities Act, in each case in accordance with all applicable U.S. State securities laws;
4. it will, and will require each subsequent holder to, notify any purchaser of the Notes from it of the resale restrictions referred to in paragraph (iii) above, if then applicable;
 5. that Notes initially offered in the United States to QIBs will be represented by one or more Rule 144A Global Notes and that Notes offered outside the United States in reliance on Regulation S will be represented by one or more Regulation S Global Notes;
 6. that the Notes, other than the Regulation S Global Notes, will bear a legend to the following effect unless otherwise agreed to by the Issuer:

“THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR ANY OTHER APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT AS SET FORTH IN THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF, THE HOLDER (A) REPRESENTS THAT IT IS A “QUALIFIED INSTITUTIONAL BUYER” (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) PURCHASING THE SECURITIES FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF ONE OR MORE QUALIFIED INSTITUTIONAL BUYERS; (B) AGREES THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THE SECURITIES EXCEPT IN ACCORDANCE WITH THE AGENCY AGREEMENT AND, PRIOR TO THE DATE WHICH IS TWO YEARS AFTER THE LATER OF THE LAST ISSUE DATE FOR THE SERIES AND THE LAST DATE ON WHICH THE ISSUER OR AN AFFILIATE OF THE ISSUER WAS THE OWNER OF SUCH SECURITIES OTHER THAN (1) TO THE ISSUER OR ANY AFFILIATE THEREOF, (2) INSIDE THE UNITED STATES TO A PERSON WHOM THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (3) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH RULE 903 OR RULE 904 UNDER THE SECURITIES ACT, (4) PURSUANT TO THE EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT (IF AVAILABLE) OR (5) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF THE STATES OF THE UNITED STATES AND ANY OTHER JURISDICTION; AND (C) IT AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS SECURITY IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.

THIS SECURITY AND RELATED DOCUMENTATION (INCLUDING, WITHOUT LIMITATION, THE AGENCY AGREEMENT REFERRED TO HEREIN) MAY BE AMENDED OR SUPPLEMENTED FROM TIME TO TIME, WITHOUT THE CONSENT OF, BUT UPON NOTICE TO, THE HOLDERS OF SUCH SECURITIES SENT TO THEIR REGISTERED ADDRESSES, TO MODIFY THE RESTRICTIONS ON AND PROCEDURES FOR REALES AND OTHER TRANSFERS OF THIS SECURITY TO REFLECT ANY CHANGE IN APPLICABLE LAW OR REGULATION (OR THE INTERPRETATION THEREOF) OR IN PRACTICES RELATING TO REALES OR OTHER TRANSFERS OF RESTRICTED SECURITIES GENERALLY. THE HOLDER OF THIS SECURITY SHALL BE DEEMED, BY ITS ACCEPTANCE OR PURCHASE HEREOF, TO HAVE AGREED TO ANY SUCH AMENDMENT OR SUPPLEMENT (EACH OF WHICH SHALL BE CONCLUSIVE AND BINDING ON THE HOLDER HEREOF AND ALL FUTURE HOLDERS OF THIS SECURITY AND ANY SECURITIES ISSUED IN EXCHANGE OR SUBSTITUTION THEREFOR, WHETHER OR NOT ANY NOTATION THEREOF IS MADE HEREON).”;

7. if it is outside the United States and is not a U.S. person, that if it should resell or otherwise transfer the Notes prior to the expiration of the distribution compliance period (defined as 40 days after the later of the commencement of the offering and the closing date with respect to the original issuance of the Notes), it will do so only (a)(i) outside the United States in compliance with Rule 903 or 904 under the Securities Act or (ii) to a QIB in compliance with Rule 144A and (b) in accordance with all applicable U.S. State securities laws; and it

acknowledges that the Regulation S Global Notes will bear a legend to the following effect unless otherwise agreed to by the Issuer:

THIS LEGEND SHALL CEASE TO APPLY UPON THE EXPIRY OF THE PERIOD OF 40 DAYS AFTER THE COMPLETION OF THE DISTRIBUTION OF ALL THE NOTES OF THE TRANCHE OF WHICH THIS NOTE FORMS PART.”; and

8. that the Issuer and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that if any of such acknowledgements, representations or agreements made by it are no longer accurate, it shall promptly notify the Issuer; and if it is acquiring any Notes as a fiduciary or agent for one or more accounts it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of each such account.

No sale of Legended Notes in the United States to any one purchaser will be for less than U.S.\$100,000 (or its foreign currency equivalent) principal amount and no Legended Note will be issued in connection with such a sale in a smaller principal amount. If the purchaser is a non-bank fiduciary acting on behalf of others, each person for whom it is acting must purchase at least U.S.\$100,000 (or its foreign currency equivalent) of Registered Notes.

Selling Restrictions

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act.

The Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

In connection with any Notes which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S (“Regulation S Notes”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver such Regulation S Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Regulation S Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Regulation S Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Regulation S Notes within the United States or to, or for the account or benefit of, U.S. persons.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Dealers may arrange for the resale of Notes to QIBs pursuant to Rule 144A and each such purchaser of Notes is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate

principal amount of Notes which may be purchased by a QIB pursuant to Rule 144A is U.S.\$100,000 (or the approximate equivalent thereof in any other currency). To the extent that the Issuer is not subject to or does not comply with the reporting requirements of Section 13 or 15(d) of the Exchange Act or the information furnishing requirements of Rule 12g3-2(b) thereunder, the Issuer has agreed to furnish to holders of Notes and to prospective purchasers designated by such holders, upon request, such information as may be required by Rule 144A(d)(4).

Each issuance of Index Linked Notes or Dual Currency Notes shall be subject to such additional U.S. selling restrictions as the Issuer and the relevant Dealer may agree as a term of the issuance and purchase of such Notes, which additional selling restrictions shall be set out in the applicable Pricing Supplement.

- (iii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
