PENSIONE APERTI

www.ilsole24ore.com/fondi24

Avvertenza: Il valore unitario della quota può variare in modo considerevole. Il risultato della gestione dei fondi pensione deve essere valutato in un orizzonte temporale di sufficiente ampiezza (dati relativi al rendimento annuo e la volatilità storica riferibili ad un orizzonte temporale di medio periodo) (per gli azionari), in considerazione della data di inizio della gestione) reperibili nella documentazione informativa delle forme pensionistiche complementari presente sul sito Internet della società che lo gestisce o settimanalmente, al sabato, su PI 5.
