MAGYAR TELECOM B.V. EXTENDS DEADLINE FOR DISCLOSURE OF SECURITY HOLDINGS INFORMATION REQUEST

LONDON – 25 February 2013 – Magyar Telecom B.V. (the “**Company**”) has announced it is extending the deadline for its noteholder identification process to allow holders additional time to respond. As the Company continues its strategic review, it would like to encourage as many noteholders as possible to participate. To this end, the Company asks those who have not yet responded to please do so. Those who have already responded to the request need not take further action.

The Company is requesting all holders of the following notes to disclose their identities and holdings of those securities to DF King Worldwide.

Security	ISIN	Common Code
EUR 9.50% Senior Secured Notes due 2016 (RegS)	XS0473176658	47317665
EUR 9.50% Senior Secured Notes due 2016 (144A)	XS0473176906	47317690

Holders are invited to respond to this request via one of the two options, below:

1. Provide the required information via their custodian bank to the relevant clearing system (Euroclear or Clearstream, Luxembourg, as applicable) by means of the disclosure event in place by no later than the clearing system deadline; or
2. Provide the required information directly to DF King Worldwide, as per the instructions on www.king-worldwide.com/kwwprojects/magyar, or directly to disclosures@king-worldwide.com

The Company undertakes that all information received will be treated in the strictest confidence and will be used solely for the purposes of the Company and its advisers.

In case of any questions, please contact the Identification Agent:
