Debt Issuance Programme

Under their Debt Issuance Programme (the "**Programme**") described in the prospectus dated 8 June 2009 (the "**Prospectus**") SNS Bank N.V. (an "**Issuer**" or "**SNS Bank**") and SNS REAAL N.V. (an "**Issuer**" or "**SNS REAAL**" and together with SNS Bank the "**Issuers**") may from time to time issue notes (the "**Notes**") denominated in any currency agreed between the Issuer and the relevant Dealer (as defined in the Prospectus), if any. Notes may be distributed by way of a public offer or private placement and, in each case, on a syndicated or non-syndicated basis. The method of distribution and the specific terms and conditions of each relevant series of Notes (a "**Series**") (or tranche thereof (a "**Tranche**")) will be stated in the relevant final terms (the "**Final Terms**").

This supplement (the "**Supplement**") is prepared to provide for the possibility under the Programme for SNS Bank to issue tier 1 notes (the "**Tier 1 Notes**").

This Supplement is supplemental to, forms part of and should be read in conjunction with, the Prospectus and any other supplement to the Prospectus issued by the Issuers including the most recent supplement to the Prospectus dated 24 August 2009. Terms defined in the Prospectus shall have the same meaning in this Supplement, unless specified otherwise.

This Supplement has been approved by and filed with the Netherlands Authority for the Financial Markets (the *Stichting Autoriteit Financiële Markten*, the "**AFM**"). The Issuers have requested the AFM to provide the competent authorities in Luxembourg with a certificate of approval attesting that this Supplement has been drawn up in accordance with the Financial Supervision Act and related regulations which implement Directive 2003/71/EC (the "**Prospectus Directive**") in Dutch law ("**Notification**"). The Issuers may request the AFM to provide competent authorities in additional Member States within The European Economic Area with a Notification.

Subscribers for any Notes to be issued have the right to withdraw such subscription within 2 business days following the publication of this Supplement.

AMENDMENTS TO THE PROSPECTUS

The information contained in the Prospectus will be amended and supplemented as further described below.

To the extent that there is any inconsistency between any statement in this Supplement and any other statement in or incorporated by reference in the Prospectus, the statements in this Supplement will prevail.

Current definition of Tier 1 Notes in Prospectus

The new notes that can be issued by SNS Bank in accordance with the Supplement are defined as "Tier 1 Notes". On page 11 of the Prospectus there is also a definition of "Tier 1 Notes", which refers to any Subordinated Notes (as defined in the Prospectus) issued by SNS Bank, which may qualify as tier 1 capital in accordance with the Decree on Prudential Rules (Wft) (as defined in the Prospectus) (the "**Current Definition**"). The Current Definition is used on pages 11, 30, 31, 81, 92, 98 and 99 of the Prospectus.

The Current Definition shall not be amended and any references thereto on the aforementioned pages shall be construed in accordance with the definition thereof provided on page 11 of the Prospectus.

Table of Contents

- A new chapter 9 shall be inserted by inserting the following text underneath chapter 8:

"CHAPTER 9: TIER 1 NOTES ISSUED BY SNS BANK
PART 1: TERMS AND CONDITIONS OF THE TIER 1 NOTES
PART 2: FORM OF FINAL TERMS FOR THE TIER 1 NOTES"

Chapter 1: Information Relating To The Debt Issuance Programme

Summary

- on page 12, the following description shall be inserted between the description of "Status and Characteristics relating to Capital Securities" and "Ratings":

"Status and Characteristics
relating to Tier 1 Notes:

The Tier 1 Notes issued by SNS Bank constitute direct, unsecured, subordinated securities of SNS Bank and rank *pari passu* without any preference among themselves and with all other present and future unsecured and identically subordinated obligations of SNS Bank, save for those preferred by mandatory provisions of law. The Tier 1 Notes are subordinated to Subordinated Notes. The Tier 1 Notes are perpetual securities with no fixed redemption date. However, the Tier 1 Notes can be redeemed in accordance with the applicable terms and conditions and subject to the approval of the Dutch Central Bank. Unless the Tier 1 Notes have previously been redeemed or purchased and cancelled, the Issuer undertakes to exercise its option to redeem the Tier 1 Notes on the Conditional Call Exercise Date in accordance with the terms and conditions of the Tier 1 Notes."

- on page 12, the first paragraph of the description of Ratings (starting with "Notes to be issued by SNS Bank") shall be amended and restated so that it will read as follows:

"Notes to be issued by SNS Bank under the Programme are expected to be rated A (negative outlook) for long term Senior Notes, A- for long term Subordinated Notes (Tier 2), F1 for short term Senior Notes and BB for Tier 1 Notes by Fitch, A2 (negative outlook) for Senior Notes, Prime-1 for short term Senior Notes, A3 for Subordinated Notes and Baa1 for Tier 1 Notes by Moody's and A -1 for short-term issuer credit rating, A (negative outlook) for long-term issuer credit rating, A- for non-perpetual Subordinated Notes and BBB- for Tier 1 Notes by Standard & Poor's."

Risk Factors Regarding The Notes

- on page 35 Annex 2 to this Supplement shall be incorporated as a new chapter with risk factors headed "Risks related to the Tier 1 Notes issued by SNS Bank" shall be inserted after the first sentence of that page ("(..) each Holder shall, by virtue of being the holder of any Capital Security, be deemed to have waived all such rights of set-off").
- On page 38, the risk factors entitled "Credit ratings may not reflect all risks" shall be replaced with:

"Credit ratings may not reflect all risks and the methodologies of determining credit ratings may be changed from time to time leading to potential downgrades

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. There is no assurance that a rating will remain for any given period of time or that a rating will not be lowered or withdrawn by the relevant rating agency if, in its judgement, circumstances in the future so warrant.

Such change may, among other factors, be due to a change in the methodology applied by a rating agency to rating securities with similar structures to the Notes, as opposed to any revaluation of the Issuer's financial strength or other factors such as conditions affecting the financial services industry generally. On 16 June 2009, Moody's published a request for comment entitled "Moody's Proposed Changes to Bank Subordinated Capital Ratings" (the "**Request for Comment**"). The Request for Comment asked market participants for feedback on potential changes to its global rating methodology for bank subordinated capital, including hybrid instruments. In particular, the Request for Comment noted that Moody's is considering, among other things, wider notching based on the riskiness of the hybrid instrument's particular features. On 19 October 2009, Moody's announced that it would release its finalised methodology by the end of November 2009 and that any ratings potentially affected by the changes in methodology would be placed on review shortly thereafter. Prospective investors should be aware that such a change in Moody's methodology could result in certain series of Notes being downgraded, potentially to non-investment grade (if the relevant Notes are issued before the new methodology is applied by Moody's to such Notes) or receiving a lower rating than that currently expected from Moody's (if the relevant Notes are issued after the new methodology is applied by Moody's to such Notes). It is also possible that certain series of Notes and other hybrid core capital issued by the Issuer may be awarded different ratings by Moody's upon application of its new methodology for rating bank subordinated capital and that, in such a case, such Notes might be rated lower than such other hybrid core capital.

In the event that a rating assigned to the Notes or the relevant Issuer is subsequently lowered for any reason, the market value of the Notes is likely to be adversely affected, but no person or entity is obliged to provide any additional support or credit enhancement with respect to the Notes."

Certain Notices to Investors

- on page 39, the words "and Chapter 9" shall be inserted in the last part of the first sentence of the second paragraph under the item headed "Responsibility Statement", which shall be changed as follows:

"and the information contained in Chapter 2 and Chapter 9 of this Prospectus."

General information

- on page 75 under the item headed "Ratings" the following text shall be inserted:
 - a. at the end of the first paragraph ("Rating definitions Fitch") the following shall be added:

"BB: Speculative. 'BB' ratings indicate an elevated vulnerability to default risk, particularly in the event of adverse changes in business or economic conditions over time; however, business or financial flexibility exists which supports the servicing of financial commitments."

- b. at the end of the second paragraph ("Rating definitions Moody's") the following text shall be added:

"Baa1: Obligations rated Baa1 are considered medium grade."

- on page 76 under the item headed "Ratings" the following text shall be inserted at the end of the first paragraph ("Rating definitions Standard & Poor's"):

"BBB: An obligation rated 'BBB' exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to lead to a weakened capacity of the obligor to meet its financial commitment on the obligation."

Chapter 9

- A new chapter 9 of the Prospectus shall be inserted immediately after chapter 8 on page 345 and shall be headed "Chapter 9: Tier 1 Notes issued by SNS Bank".

Annex 1 to this Supplement shall be incorporated on page 345 and further.

Final pages

The current final two pages of the Prospectus shall be renumbered following the introduction of the new chapter 9.

Disclosure

Equity issue SNS REAAL

By way of a press release dated 24 September 2009 SNS REAAL announced the completion of a € 135 million equity issue via an accelerated bookbuild offering. In total, the issue comprised 26,147,259 new ordinary shares at a price of € 5.15 per share. Application was made to list the new shares on Euronext Amsterdam. The issue settled on 29 September 2009, at which date the new shares were admitted to trading on Euronext Amsterdam.

SNS REAAL intends to use the proceeds of this equity issue to partly finance the repurchase of € 185 million of the total of € 750 million of core tier 1 securities obtained by the Dutch State and € 65 million of the total of € 500 million of core tier 1 securities obtained by Stichting Beheer SNS REAAL. By repurchasing a total of € 250 million of core tier 1 securities by 10 December 2009, SNS REAAL would achieve a maximum saving of approximately € 125 million compared to repayment at a later date.

The decision to repurchase by 10 December 2009 is conditional on SNS REAAL's capital position remaining strong and on the outlook for the economy and financial markets. The repurchase also requires the consent of the Dutch Central Bank. If these conditions are not met, the proceeds of the equity issue will be retained to further strengthen SNS REAAL's capital position.

Resignation managing director SNS Bank

Mr Marius Menkveld has resigned as managing director of SNS Bank as of 1 October 2009.

ANNEX 1 –TIER 1 NOTES: TERMS AND CONDITIONS AND FORM OF FINAL TERMS

CHAPTER 9: TIER 1 NOTES ISSUED BY SNS BANK

PART 1: TERMS AND CONDITIONS OF THE TIER 1 NOTES

The following are the Terms and Conditions of the Tier 1 Notes which will be applicable to each Series of Tier 1 Notes, provided that the relevant Final Terms in relation to any Tier 1 Notes may specify other Terms and Conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace, supplement and prevail over the following Terms and Conditions for the purposes of such Tier 1 Notes:

The Tier 1 Notes are issued in accordance with the Agency Agreement made between, *inter alios*, SNS Bank N.V. (for purposes of this Chapter the "**Issuer**"), Dexia Banque Internationale à Luxembourg, Société Anonyme as issuing and principal paying agent and agent bank (the "**Agent**", which expression shall include any successor agent) and the other paying agents named therein (together with the Agent, the "**Paying Agents**", which expression shall include any additional or successor paying agents) (the "**Tier 1 Notes**"). Copies of the Agency Agreement are available for inspection at the specified office of the Paying Agents. All persons from time to time entitled to the benefit of obligations under any Tier 1 Notes shall be deemed to have notice of, and shall be bound by, all of the provisions of the Agency Agreement and the Final Terms (as defined below) insofar as they relate to the relevant Tier 1 Notes.

The Tier 1 Notes are issued in series (each, a "**Series**"), and each Series may comprise one or more tranches ("**Tranches**" and each, a "**Tranche**") of Tier 1 Notes. Each Tranche will be the subject of Final Terms (each, the "**Final Terms**"), a copy of which will, in the case of (i) a Tranche in relation to which application has been made for admission to the Luxembourg Stock Exchange be lodged with the Luxembourg Stock Exchange, (ii) a Tranche in relation to which application has been made for admission to Euronext Amsterdam N.V. by Euronext ("**Euronext Amsterdam by NYSE Euronext**") be lodged with Euronext Amsterdam N.V. ("**Euronext Amsterdam**") and (iii) a Tranche in relation to which application has been made for admission to another stock exchange than under (i) and (ii) to be lodged with the entity as specified in the Final Terms and will be available for inspection at the specified office of the Paying Agents.

The Holders are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Agency Agreement and the Final Terms applicable to them.

References in these Terms and Conditions to Tier 1 Notes are to Tier 1 Notes of the relevant Series.

1 FORM, DENOMINATION AND TITLE

1.1 Form and Denomination

The Tier 1 Notes are in bearer form and shall be in the Specified Denomination as indicated in the applicable Final Terms. The Tier 1 Notes will be represented by a Temporary Global Note

which is exchangeable for a Permanent Global Note (each a "**Global Note**") without interest coupons. Unless specified otherwise in the Final Terms, each Global Note will be deposited with the *Nederlands Centraal Instituut voor Giraal Effectenverkeer B.V.* ("**Euroclear Nederland**") and thereby become subject to the Dutch Securities Giro Transfer Act, as amended and replaced by successor legislation (*Wet Giraal Effectenverkeer*, "**WGE**"). Unless specified otherwise in the Final Terms, the Global Note will not be exchangeable for definitive bearer Tier 1 Notes.

1.2 Transfer and Title

Unless specified otherwise in the Final Terms, interests in a Global Note will be transferable only in accordance with the provisions of the WGE and the rules and procedures for the time being of Euroclear Nederland and its participants (*aangesloten instellingen*) and all transactions in (including transfer of) Tier 1 Notes, in the open market or otherwise must be effected through participants of Euroclear Nederland. The bearer of a Global Note will be the only person entitled to receive payments in respect of such Global Note. Each person who is for the time being shown in the records of Euroclear Nederland or any of its participants as the holder of a particular nominal amount of such Tier 1 Notes (in which regard any certificate or other document issued by Euroclear Nederland or such participant as to the nominal amounts of Tier 1 Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Paying Agents as the holder of such nominal amount of such Tier 1 Notes for all purposes other than with respect to the payment of principal or interest on the Tier 1 Notes, for which purpose the bearer of a Global Note shall be treated by the Issuer and the Paying Agents as the holder of such Tier 1 Notes in accordance with and subject to the terms of the Global Note.

2 STATUS

(a) Status and Subordination of the Tier 1 Notes

The Tier 1 Notes constitute direct, unsecured, subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves. The rights and claims of the Holders under the Tier 1 Notes are subordinated to the claims of Senior Creditors of the Issuer, present and future.

(b) Condition of Payment by the Issuer

Payments in respect of the Tier 1 Notes are conditional upon the Required Deferral Condition not having been met at the time of payment and are subject to no Deferral Notice having been sent in accordance with Condition 4(b)(i).

For the purposes of this Condition 2(b) any reference to a payment by the Issuer in respect of a Tier 1 Note shall be deemed to include a redemption or purchase of such Tier 1 Note by the Issuer.

(c) Winding-Up Claims in respect of the Issuer

Amounts in respect of principal or a Payment not satisfied on the date upon which the same is due and payable and have since not been paid ("**Winding-Up Claims**") will, subject to Condition 4(a) and (b), be payable by the Issuer in a bankruptcy or winding-up (*faillissement of vereffening na ontbinding*) (a "**Winding-Up**") of the Issuer as provided in Condition 3 or on any redemption pursuant to Condition 7(b), 7(c) or 7(d). A Winding-Up Claim shall not bear interest.

(d) Set-off

Subject to applicable law, no Holder may exercise or claim any right of set-off in respect of any amount owed to it by the Issuer arising under or in connection with the Tier 1 Notes and each Holder shall, by virtue of being the holder of any Tier 1 Note, be deemed to have waived all such rights of set-off.

3 WINDING-UP

If at any time an order is made, or an effective resolution is passed, for a Winding-Up of the Issuer (except in any such case of a Winding-Up (*vereffening na ontbinding*) where the Issuer is solvent solely for the purpose of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business of the Issuer, the terms of which reconstruction, amalgamation or substitution have previously been approved by an Extraordinary Resolution (as defined in Schedule 6 to the Agency Agreement)), there shall be payable by the Issuer in respect of each Tier 1 Note (in lieu of any other payment by the Issuer) a Winding-Up Claim. The Tier 1 Notes will rank on a Winding-Up of the Issuer in priority to distributions on all classes of share capital of the Issuer and will rank *pari passu* with each other and among themselves, but will be subordinated in right of payment to the claims of Senior Creditors of the Issuer, present and future.

4 DEFERRALS

The Issuer must make each Coupon Payment on the relevant Coupon Payment Date subject to and in accordance with these Terms and Conditions. Without prejudice to the generality of Condition 2, the Issuer must or may defer a Coupon Payment and any other Payment in the following circumstances:

- (a) Required Deferral of Payment
 - (i) If the Required Deferral Condition is met on the 20th Business Day prior to the date on which any Payment (such term does not include principal) would be otherwise due and payable, the Issuer must defer such Payment or such part thereof, as the case may be, by giving a notice to the Holders, the Agent and the Calculation Agent not less than 16 Business Days prior to such date.
 - (ii) If any Payment is deferred pursuant to Condition 4(a)(i), such Payment shall not accumulate or be payable at any time thereafter, and the Holders shall have no right thereto whether in a Winding-Up of the Issuer, or otherwise.
- (b) Optional Deferral of Payments

- (i) Subject to Condition 4(c), the Issuer may in respect of any Payment which would, in the absence of deferral in accordance with this Condition 4, be due and payable, defer all or part of such Payment by giving a notice (also a "**Deferral Notice**") to the Agent, the Calculation Agent and the Holders not less than 16 Business Days prior to the relevant due date.
- (ii) If any Payment is deferred pursuant to this Condition 4(b) such Payment shall not accumulate or be payable at any time thereafter, and the Holders shall have no right thereto whether in a Winding-Up of the Issuer, or otherwise.
- (iii) Subject to Condition 4(b)(iv), the Issuer may give a Deferral Notice under this Condition 4(b) in its sole discretion and for any reason, except that a Deferral Notice as to a Payment required to be paid pursuant to (i) or (ii) under (c) below shall have no force or effect.
- (iv) Notwithstanding the foregoing, if the Final Terms indicate that a Capital Disqualification Event is applicable to the Tier 1 Notes, then on any Coupon Payment Date with respect to which (A) a Capital Disqualification Event has occurred and is continuing and (B) the Issuer is in compliance with the applicable Capital Adequacy Regulations, the Issuer shall be obliged to make the Coupon Payment on such Coupon Payment Date and may not exercise its discretion to defer a Coupon Payment.

(c) Dividend Pusher; Mandatory Payments and Mandatory Partial Payments

The Issuer will, subject to clause 4(a), be required to make payments on the Tier 1 Notes in the following circumstances:

- (i) If in the six months prior to a Coupon Payment Date a Mandatory Payment Event occurs (such an event being referred to as a "**Junior Coupon Pusher Event**"), then the Coupon Payments payable on the next number of Coupon Payment Dates as specified in the Final Terms will be mandatorily due and payable in full on the relevant consecutive Coupon Payment Dates following such Junior Coupon Pusher Event, subject to the occurrence or existence of any Required Deferral Condition at the time such payment would otherwise have to be made.
- (ii) If, in the six months prior to a Coupon Payment Date, a Mandatory Partial Payment Event occurs (such an event being referred to as a "**Parity Coupon Pusher Event**"), then Mandatory Partial Payments will be mandatorily due and payable in respect of each Tier 1 Note on the next number of consecutive Coupon Payment Dates following such Parity Coupon Pusher Event as specified in the Final Terms, subject to the occurrence or existence of the Required Deferral Condition at the time such payment would otherwise have to be made and provided that

payment pursuant to such Mandatory Partial Payment Event was not itself compulsorily required to be paid solely as a result of a dividend or other payment having been made on a Parity Security or a Parity Guarantee, as applicable.

(d) Dividend Stopper

The Issuer agrees that, beginning on the day the Issuer gives a Deferral Notice until the end of the period after such Deferral Notice as specified in the Final Terms, Holding and the Issuer will not recommend to their respective shareholders, and to the fullest extent permitted by applicable law will otherwise act to prevent, any action which would constitute a Mandatory Payment Event or a Mandatory Partial Payment Event.

5 COUPON PAYMENTS

(a) Coupon Payment Dates

The Tier 1 Notes bear interest from (and including) the Issue Date. Such interest will (subject to Conditions 2(b), 4(a) and 4(b)) be payable in arrear on each Coupon Payment Date as indicated in the Final Terms. Each Tier 1 Note will cease to bear interest from the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused. In such event, it shall continue to bear interest at the prevailing rate in accordance with this Condition (both before and after judgment).

If any Coupon Payment Date would otherwise fall on a day which is not a Business Day it shall, unless specified otherwise in the Final Terms, be postponed to the next Business Day unless it would then fall into the next calendar month in which event the Coupon Payment Date shall be brought forward to the preceding Business Day and after the foregoing each subsequent Coupon Payment Date is the last Business Day of the month which falls three months after such Coupon Payment Date, unless specified otherwise in the Final Terms. The amount of the relevant Coupon Payment shall not be adjusted as a result.

If interest is required to be calculated for a period starting or ending other than on a Coupon Payment Date, such interest shall be calculated by applying the Rate of Interest (specified in the Final Terms relating to the relevant Fixed Rate Tier 1 Note Provisions) ("**Fixed Coupon Rate**") or the Reference Rate (specified in the Final Terms relating to the Floating or Variable Rate Tier 1 Note Provisions) ("**Floating or Variable Coupon Rate**"), as applicable, to each Calculation Amount, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention and multiplying such rounded up figure by a fraction equal to the Specified Denomination of the Tier 1 Note divided by the Calculation Amount.

(b) Fixed Coupon Rate

Tier 1 Notes in relation to which this Condition 5(b) is specified in the relevant Final Terms as being applicable, shall bear a fixed rate of interest at the Coupon Rate per annum as specified in the Final Terms.

Calculation of interest amount: The amount of interest payable in respect of each Tier 1 Note in relation to which this Condition 5(b) is specified shall be calculated by applying the Fixed Coupon Rate to the Calculation Amount, multiplying the product by the specified Fixed Day Count Fraction, rounding the resultant figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded up figure by a fraction equal to the Specified Denomination of the Tier 1 Note divided by the Calculation Amount.

If interest is required to be calculated for a period starting or ending other than on a Coupon Payment Date (the "**Calculation Period**"), such interest shall be calculated by applying the Fixed Coupon Rate to each Calculation Amount, multiplying such sum by the applicable Fixed Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention and multiplying such rounded up figure by a fraction equal to the Specified Denomination of such Tier 1 Note divided by the Calculation Amount.

For the purposes of these Conditions, "**Fixed Day Count Fraction**" means:

- (i) If "**Actual/Actual (ICMA)**" is specified in the applicable Final Terms, it means:
 - (a) where the Calculation Period is equal to or shorter than the Determination Period during which it falls, the actual number of days in the Calculation Period divided by the product of (1) the actual number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - (b) where the Calculation Period is longer than one Determination Period, the sum of:
 - (A) the actual number of days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (1) the actual number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - (B) the actual number of days in such Calculation Period falling in the next Determination Period divided by the product of (1) the actual number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year;

where:

"**Determination Period**" means the period from and including a Coupon Payment Date in any year to, but excluding, the next Coupon Payment Date; and

- (ii) if "**30/360**" is specified in the applicable Final Terms, the number of days in the Calculation Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months) (unless (i) the last day of the Calculation Period is the 31st day of a month but the first day of the Calculation Period is a day other than the 30th or the 31st day of a month, in which case the month that includes that last day

shall not be considered to be shortened to a 30- day month or (ii) the last day of the Calculation Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

"sub-unit" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

"Calculation Amount" has the meaning ascribed to it in the Final Terms;

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which a Coupon Payment Date should occur or (y) if any Coupon Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) the Following Business Day Convention, such Coupon Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (2) the Modified Following Business Day Convention, such Coupon Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Coupon Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (3) the Preceding Business Day Convention, such Coupon Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (4) No Adjustment, such Coupon Payment Date (or other date) shall not be adjusted in accordance with any Business Day Convention.

If **"Unadjusted"** is specified in the applicable Final Terms the number of days in each Coupon Period shall be calculated as if the Coupon Payment Date were not subject to adjustment in accordance with the Business Day Convention specified in the applicable Final Terms.

If **"Adjusted"** is specified in the applicable Final Terms the number of days in each Coupon Period shall be calculated as if the Coupon Payment Date is subject to adjustment in accordance with the Business Day Convention specified in the applicable Final Terms.

- (c) Floating or Variable Coupon Rate

Tier 1 Notes in relation to which this Condition 5(c) is specified in the relevant Final Terms as being applicable, shall bear a floating or variable rate of interest at the Coupon Rate per Coupon Period as specified in the relevant Final Terms and determined in accordance with Condition 5(d).

Calculation of interest amount: The amount of interest payable in respect of each Tier 1 Note in relation to which this Condition 5(c) is specified shall be calculated by applying the Floating or Variable Coupon Rate to the Calculation Amount, multiplying the product by the relevant Floating Day Count Fraction, rounding the resultant figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded up figure by a

fraction equal to the Specified Denomination of the Tier 1 Note divided by the Calculation Amount.

"Floating Day Count Fraction" means, in respect of the calculation of an amount of interest for any Coupon Period:

- (i) if **"Actual/365 (Fixed)"** is specified in the applicable Final Terms, the actual number of days in the Coupon Period divided by 365;
- (ii) if **"Actual/360"** is specified in the applicable Final Terms, the actual number of days in the Coupon Period divided by 360;
- (iii) if **"30/360"** is specified in the applicable Final Terms, the number of days in the Coupon Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Coupon Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Coupon Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Coupon Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Coupon Period falls;

"D1" is the first calendar day, expressed as a number, of the Coupon Period, unless such number is 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Coupon Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30;

- (iv) if **"30E/360"** is specified in the applicable Final Terms, the number of days in the Coupon Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Coupon Period falls;

"Y2" is the year, expressed as a number, in which the day immediately following the last day of the Coupon Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Coupon Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day of the Coupon Period falls;

"D1" is the first calendar day, expressed as a number, of the Coupon Period, unless such number would be 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included in the Coupon Period, unless such number would be 31, in which case D2 will be 30;

- (v) if "**Actual/365 (Fixed)**" is specified in the applicable Final Terms, the actual number of days in the Coupon Period divided by 365.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which a Coupon Payment Date should occur or (y) if any Coupon Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) the Following Business Day Convention, such Coupon Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (2) the Modified Following Business Day Convention, such Coupon Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Coupon Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (3) the Preceding Business Day Convention, such Coupon Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (4) the Floating Rate Convention, such Coupon Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Coupon Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Coupon Payment Date shall be the last Business Day in the month which falls the Specified Period (as specified in the Relevant Final Terms) after the preceding applicable Coupon Payment Date occurred; or

- (5) No Adjustment, such Coupon Payment Date (or other date) shall not be adjusted in accordance with any Business Day Convention.

If "**Unadjusted**" is specified in the applicable Final Terms the number of days in each Coupon Period shall be calculated as if the Coupon Payment Date were not subject to adjustment in accordance with the Business Day Convention specified in the applicable Final Terms.

If "**Adjusted**" is specified in the applicable Final Terms the number of days in each Coupon Period shall be calculated as if the Coupon Payment Date is subject to adjustment in accordance with the Business Day Convention specified in the applicable Final Terms.

- (d) Determination of Coupon Rate and Coupon Amounts

The Calculation Agent will, upon the determination of each Coupon Rate pursuant to Condition 5(c), calculate the Coupon Amount and cause the Coupon Rate and each Coupon Amount payable in respect of a Coupon Period to be notified to the Issuer, the Agent, Euronext Amsterdam (if applicable) and the Holders as soon as possible after their determination but in no event later than the fourth Business Day thereafter.

Unless specified otherwise in the relevant Final Terms, the amount of interest payable for any period will be computed on the basis of a 360-day year of twelve 30-day months.

- (e) No Determination or Calculation by Calculation Agent

If the Calculation Agent does not at any time for any reason (i) determine the Coupon Rate in accordance with Conditions 5(c) or (ii) calculate a Coupon Amount in accordance with Condition 5(d), the Issuer shall appoint an agent to do so and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Issuer or such agent shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it or such agent can do so, and in all other respects it or such agent shall do so in such manner as it shall deem fair and reasonable in all the circumstances. All determinations or calculations made or obtained for the purposes of the provisions of this Condition 5(e) by such agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Calculation Agent, the Paying Agents and all Holders.

7 REDEMPTION AND PURCHASES

- (a) No Fixed Redemption Date

The Tier 1 Notes are perpetual securities in respect of which there is no fixed redemption date and the Issuer shall (subject to the provisions of Conditions 2 and 3 and without prejudice to the provisions of Condition 10) only have the right to repay them in accordance with the following provisions of this Condition 7.

- (b) Issuer's Call Option

Subject to Condition 2(b) and prior consent of the Dutch Central Bank, the Issuer may, by giving not less than 30 nor more than 60 days' notice to the Holders in accordance with Condition 15 and to the Agent, which notice shall be irrevocable, elect to redeem all, but not some only, of the Tier 1 Notes on the Coupon Payment Date falling on the date specified as such in the Final Terms and any Coupon Payment Date thereafter at the Optional Redemption Amount specified in the Final Terms together with any Outstanding Payments.

Unless the Tier 1 Notes have previously been redeemed or purchased in accordance with this Condition 7, the Issuer undertakes to exercise its option to redeem the Tier 1 Notes on the Conditional Call Exercise Date (being the date specified as such in the Final Terms or any Coupon Payment Date thereafter) on which (i) all interest is Required Interest and (ii) the Issuer has previously raised (or caused to be raised by a Subsidiary) the amount of net proceeds, between zero and the aggregate Optional Redemption Amount specified in the Final Terms together with any Outstanding Payments of the Tier 1 Notes (both inclusive), which the Issuer determines (at any time prior to such date in its sole discretion but in consultation with the Dutch Central Bank, as necessary) is the minimum amount required by the Issuer and the Subsidiaries to be raised through the issuance of Qualifying Securities to replace the Tier 1 Notes (on or prior to their redemption) in accordance with the remaining provisions of this Condition 7(b).

If, by reference to the facts pertaining on a Conditional Call Exercise Date:

- (i) any part of the Interest on the Coupon Payment Date related thereto is not Required Interest, the Conditional Call Exercise Requirements shall be deemed not to be satisfied as of such Coupon Payment Date; or
- (ii) all interest on the Coupon Payment Date related thereto is Required Interest and:
 - (A) the Replacement Capital Amount is zero, the Conditional Call Exercise Requirements shall be deemed to be satisfied as of such Coupon Payment Date and the Issuer shall give not less than 30 calendar days' notice to the Paying Agents and the Holders in accordance with Condition 15, which notice shall be irrevocable, that the Tier 1 Notes will be redeemed on such Coupon Payment Date at their Optional Redemption Amount specified in the Final Terms together with any Outstanding Payments; or
 - (B) the Replacement Capital Amount is greater than zero, the Issuer shall use its commercially reasonable efforts (except while a Market Disruption Event persists) to raise (or cause to be raised by a Subsidiary), at a minimum, the Replacement Capital Amount so as to satisfy the Conditional Call Exercise Requirements of, and to permit payment of the Optional Redemption Amount as specified in the Final Terms together with any Outstanding Payments in full on such Coupon Payment Date.

If the Replacement Capital Amount is greater than zero and is raised in full on or before the date falling 35 calendar days prior to such Coupon Payment Date and Interest on such Coupon Payment Date continues, by reference to the facts pertaining at such time, to be Required Interest, the Conditional Call Exercise Requirements shall be deemed to be satisfied as of such Coupon Payment Date and the Issuer shall give not less than 30 calendar days' notice to the Paying Agents and the Holders in accordance with Condition 15, which notice shall be irrevocable, that the Tier 1 Notes will be redeemed on such Coupon Payment Date at their Optional Redemption Amount as specified in the Final Terms together with any Outstanding Payments.

If the Replacement Capital Amount is greater than zero and is not raised in full on or before the date falling 35 calendar days prior to such Coupon Payment Date, the Conditional Call Exercise Requirements shall be deemed not to be satisfied as of such Coupon Payment Date and the Issuer shall give not less than 30 calendar days' notice thereof to the Paying Agents and the Holders in accordance with Condition 15 and shall continue to use its commercially reasonable efforts (subject as aforesaid) to raise (or cause to be raised by a Subsidiary) the Replacement Capital Amount so as to satisfy the Conditional Call Exercise Requirements as of, and to permit redemption of the Tier 1 Notes in full on, the next Coupon Payment Date.

The Issuer shall continue the above procedure until the Tier 1 Notes have been redeemed in full.

Interest on the Tier 1 Notes shall, subject to the limitations thereon set out in Condition 4 continue to accrue at the relevant Coupon Rate until the Tier 1 Notes have been redeemed in full.

Subject to Condition 7(a), nothing in this Condition 7(b) shall prevent the Issuer from exercising its option to redeem the Tier 1 Notes on the Coupon Payment Date as referred to in the first paragraph of this Condition 7(b) in its sole discretion in accordance with the first paragraph of this Condition 7(b) without regard to the Conditional Call Exercise Requirements.

(c) Variation, Redemption or Conversion due to Taxation

If the Issuer satisfies the Holders immediately prior to the giving of the notice referred to below that, on the next due date for a Coupon Payment:

- (i) the Issuer would, for reasons outside its control, be unable to make such payment without being required to pay additional amounts as provided or referred to in Condition 11; or
- (ii) payments of amounts in respect of interest on the Tier 1 Notes may be treated as "distributions" within the meaning of Section II of the Dividend Withholding Tax Act 1965 (*Wet op de dividendbelasting 1965*) (or such other Section and/or Act as may from time to time supersede or replace Section II of the Dividend Withholding Tax Act 1965 for the purposes of such definition) and such

requirement or circumstance cannot be avoided by the Issuer taking such measures as it (acting in good faith) deems appropriate; or

- (iii) as a result of any change in or proposed change in, or amendment to or proposed amendment to, the laws of The Netherlands or any political subdivision or authority thereof having power to tax, or any change in or proposed change in the application of official or generally published interpretation of such laws, or any interpretation or pronouncement by any relevant tax authority that provides for a position with respect to such law or regulations that differs from the previously generally accepted position in relation to similar transactions or which differs from any specific written confirmation given by a tax authority in respect of the Tier 1 Notes, which change or amendment becomes, or would become, effective, or in the case of a change or proposed change in law if such change is enacted (or, in the case of a proposed change, is expected to be enacted) by Act of Parliament or made by Statutory Instrument on or after the Issue Date of the relevant Tier 1 Notes (a "**Tax Law Change**") or (B) if no such Tax Law Change has occurred, the Issuer reasonably determines, based on an opinion of competent legal counsel, that, in either case, there is more than an insubstantial risk that the Issuer will not obtain full or substantially full relief for the purposes of Dutch corporation tax for any payment of interest,
- (x) the Issuer may (and subject to Condition 2(b) and prior consent of the Dutch Central Bank), having given not less than 30 nor more than 60 days' notice to the Agent and, in accordance with Condition 15, the Holders (which notice shall be irrevocable), redeem, in accordance with these Terms and Conditions, at any time all, but not some only, of the Tier 1 Notes at the Early Redemption Amount specified in the Final Terms together with any Outstanding Payments; or
- (y) subject to compliance with applicable regulatory requirements and prior consent of the Dutch Central Bank, the Issuer may convert or exchange the Tier 1 Notes in whole (but not in part) to another series of securities of the Issuer, or alter the terms and conditions of the existing Tier 1 Notes to the effect that the Tier 1 Notes so altered will be securities, which, in each case, have, as determined in the Issuer's sole discretion, materially the same terms as the Tier 1 Notes and which are, in the Issuer's sole discretion, no less favourable in respect of an investor's existing rights than the current terms of the Tier 1 Notes but that comply with the then requirements of the Dutch Central Bank in relation to tier 1 capital or equivalent. Any conversion or exchange of the Tier 1 Notes into another series of securities under this paragraph (c)(y), or any such alteration shall be made on not less than 30 nor more than 60 days' notice to the Agent and Holders in accordance with Condition 15.

(d) Variation, Redemption or Conversion for Regulatory Purposes

If securities of the nature of the Tier 1 Notes cease to qualify as own funds and core capital (tier 1 capital or equivalent in accordance with the requirements of the Dutch Central Bank from time to

time), for the purposes of determination of its solvency margin, capital adequacy ratios or comparable margins or ratios under such Capital Adequacy Regulations, then:

- (i) the Issuer may (subject to Condition 2(b) and prior consent of the Dutch Central Bank), having given not less than 30 nor more than 60 days' notice to the Agent and, in accordance with Condition 15, the Holders (which notice shall be irrevocable) redeem, in accordance with these Terms and Conditions, at any time all, but not some only, of the Tier 1 Notes at the Early Redemption Amount specified in the Final Terms together with any Outstanding Payments; or
- (ii) subject to compliance with applicable regulatory requirements and prior consent of the Dutch Central Bank, the Issuer may at any time convert or exchange the Tier 1 Notes in whole (but not in part) to another series of securities of the Issuer, or alter the terms and conditions of the Tier 1 Notes to the effect that the Tier 1 Notes so altered will be securities, which, in each case, have, as determined in the Issuer's sole discretion, materially the same terms as the Tier 1 Notes and which are, in the Issuer's sole discretion, no less favourable in respect of an investor's existing rights than the current terms of the Tier 1 Notes but that comply with the then requirements of the Dutch Central Bank in relation to tier 1 capital or equivalent. Any conversion or exchange of the Tier 1 Notes into another series of securities under this paragraph (d)(ii), or any such alteration shall be made on not less than 30 nor more than 60 days' notice to the Agent and Holders in accordance with Condition 15.

(e) Purchases

The Issuer, Holding or any Subsidiary or any subsidiary of Holding may (subject to Condition 2(b) and prior consent of the Dutch Central Bank) at any time purchase Tier 1 Notes in any manner and at any price.

(f) Cancellation

Cancellation of any Tier 1 Notes will be effected by reduction in the principal amount of the Global Note and such cancelled Tier 1 Notes may not be reissued or resold. Tier 1 Notes purchased by the Issuer or Holding or any Subsidiary of the Issuer or any subsidiary of Holding may be held, reissued (in the case of the Issuer), resold or, at the option of the Issuer (upon acquisition by the Issuer), be cancelled by decreasing the number of Tier 1 Notes represented by the Global Note by an equal number. The obligations of the Issuer in respect of any such Tier 1 Notes shall be discharged.

8 ALTERATION OF TERMS

Upon the occurrence of a Regulatory Event, (i) Condition 4(b)(iv) will no longer apply to the Tier 1 Notes and (ii) Condition 4(c) will no longer apply to the Tier 1 Notes to the extent such Condition refers to Mandatory Partial Payments and Mandatory Partial Payment Events. The Tier 1 Notes thus altered will be referred to as the "**Altered Tier 1 Notes**" so as to reflect that for International Financial Reporting Standards ("**IFRS**") purposes they are classified as equity applying the current IFRS standards. After the occurrence of a Regulatory Event the Issuer will be allowed to

defer Coupon Payments on the Altered Tier 1 Notes, subject to the suspension of payments on instruments which are classified as equity for IFRS purposes. Subject to the above, following a Regulatory Event the Altered Tier 1 Notes will remain outstanding on the Conditions applicable thereto as of the occurrence of a Regulatory Event.

9 PAYMENTS

(a) Method of Payment

- (i) Payments of principal and Coupon Amounts and all other payments on or in respect of the Tier 1 Notes will be in the Specified Currency and will be calculated by the Calculation Agent and effected through the Paying Agents. Payments of redemption amounts and interest in respect of the Tier 1 Notes will, subject as set out below, be made against presentation for endorsement and, if no further payment is to be made in respect of the Tier 1 Notes, surrender of the Global Note to the order of the Paying Agents. A record of each payment will be endorsed on the appropriate part of the schedule to the Global Note by or on behalf of the Paying Agents, which endorsement shall be prima facie evidence that such payment has been made in respect of the Tier 1 Notes.
- (ii) The names of the initial Paying Agents and their initial specified offices are set out below. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent and to appoint additional or other Paying Agents provided that it will at all times maintain (aa) a Paying Agent having a specified office in The Netherlands (bb) for so long as the Tier 1 Notes are listed on Euronext Amsterdam by NYSE Euronext, or any other stock exchange or regulated securities market and the rules of such exchange or securities market so require, a Paying Agent having a specified office in such location as the rules of such exchange or securities market may require and (cc) a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to the European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive. Notice of any such termination or appointment and of any change in the specified offices of the Paying Agents will be given to the Holders in accordance with Condition 15.

(b) Payments subject to fiscal laws

All payments made in accordance with these Terms and Conditions will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 11.

(c) Payments on Business Days

A Global Note may only be presented for payment on a Business Day, unless specified otherwise in the Final Terms.

No further interest or other payment will be made as a consequence of the day on which a Global Note may be presented for payment under this paragraph falling after the due date.

10 NON-PAYMENT WHEN DUE

Notwithstanding any of the provisions below in this Condition 10, the right to institute Winding-Up proceedings is limited to circumstances where payment has become due.

Pursuant to Condition 2(b) and subject as provided in the next sentence no principal or Payment will be due by the Issuer if the Issuer is not Solvent or would not be Solvent if payment of such principal or Payment was made. Also, in the case of any Payment, such Payment will not be due if such Payment is deferred pursuant to Condition 4(a) or 4(b).

- (a) If the Issuer shall not make a payment in respect of the Tier 1 Notes for a period of 14 days or more after the date on which such payment is due, the Issuer shall be deemed to be in default under the Tier 1 Notes, and any Holder may, notwithstanding the provisions of paragraph (b) of this Condition 10, institute proceedings in The Netherlands (but not elsewhere) for the Winding-Up of the Issuer.
- (b) Subject as provided in this Condition 10, any Holder may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Agency Agreement or the Tier 1 Notes provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it.

11 TAXATION

All payments by the Issuer of principal, a Coupon Amount, a Mandatory Partial Payment and a Winding-Up Claim in respect of the Tier 1 Notes will be made without withholding or deduction for, or on any account of, any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of The Netherlands or any political subdivision thereof or by any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event the Issuer will pay such additional amounts as may be necessary in order that the net amounts receivable by Holders after such withholding or deduction shall equal the respective amounts of principal and interest which would have been received in respect of the Tier 1 Notes in the absence of such withholding or deduction, except that no such additional amounts shall be payable in relation to any payment with respect to any Tier 1 Note:

- (i) to, or to a third party on behalf of, a Holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Tier 1 Note by reason of such Holder or, as the case may be, such third party having some connection with The Netherlands other than the mere holding of such Tier 1 Note; or
- (ii) to, or to a third party on behalf of, a Holder if such withholding or deduction may be avoided by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority; or

- (iii) to, or to a third party on behalf of, a Holder, that is a partnership, or a Holder, that is not the sole beneficial owner of the Tier 1 Note or which holds the Tier 1 Note in a fiduciary capacity, to the extent that any of the members of the partnership, the beneficial owner or the settlor or beneficiary with respect to the fiduciary would not have been entitled to the payment of an additional amount had each of the members of the partnership, the beneficial owner, settlor or beneficiary (as the case may be) received directly his beneficial or distributive share of the payment; or
- (iv) presented for payment more than 30 days after the Relevant Date except to the extent that the Holder would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days; or
- (v) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive.

References in these Terms and Conditions to principal, a Coupon Amount, a Mandatory Partial Payment and/or a Winding-Up Claim shall be deemed to include any additional amounts which may become payable pursuant to the foregoing provisions.

12 PRESCRIPTION

The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50% in nominal amount of the Tier 1 Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Holders whatever the nominal amount of the Tier 1 Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Tier 1 Notes (including modifying any date for payment of interest thereof, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Tier 1 Notes or altering the currency of payment of the Tier 1 Notes), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one-third, in nominal amount of the Tier 1 Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Holders shall be binding on all the Holders, whether or not they are present at the meeting.

ANNEX 2 – RISKS RELATED TO THE TIER 1 NOTES ISSUED BY SNS BANK

Risks related to the Tier 1 Notes issued by SNS Bank

Optional deferral

SNS Bank may at its discretion elect to defer any Payment (as defined in 'Terms and Conditions of the Tier 1 Notes' under Condition 20, 'Definitions') (such term does not include principal) on the Tier 1 Notes for any period of time for so long as there has not been either a Mandatory Payment Event or a Mandatory Partial Payment Event (each as defined in 'Terms and Conditions of the Tier 1 Notes' under Condition 20, 'Definitions').

Any payment deferred pursuant to SNS Bank's optional right to defer will be non-cumulative. See more particularly described in 'Terms and Conditions of the Tier 1 Notes' under Condition 4, Deferrals - (b) 'Optional Deferral of Payments' below.

Required deferral

If and when the Required Deferral Condition (as defined in 'Terms and Conditions of the Tier 1 Notes' under Condition 20, 'Definitions') is met and during the period such Required Deferral Condition is continuing, SNS Bank will defer further Payments (such term does not include principal) on the Tier 1 Notes for any period of time subject to SNS Bank no longer being subject to a Required Deferral Condition. See more particularly described in 'Terms and Conditions of the Tier 1 Notes' under Condition 4, Deferrals – (a) 'Required Deferral of Payment'.

Perpetual securities

SNS Bank is under no obligation to redeem the Tier 1 Notes at any time and the Holders (as defined in 'Terms and Conditions of the Tier 1 Notes' under Condition 20, 'Definitions') have no right to call for their redemption.

Status, Subordination and Ranking

The Tier 1 Notes constitute direct, unsecured, subordinated obligations of SNS Bank and rank *pari passu* without any preference among themselves. The rights and claims of the Holders under the Tier 1 Notes are subordinated to the claims of Senior Creditors (as defined below) of SNS Bank, present and future. On a winding-up (*faillissement of vereffening na ontbinding*) of SNS Bank, the Tier 1 Notes will rank in priority to distributions on all classes of share capital of SNS Bank and will rank *pari passu* with each other and among themselves, but will be subordinated in right of payment to the claims of Senior Creditors of SNS Bank, present and future.

"Senior Creditors" means present and future creditors of SNS Bank:

- (i) who are unsubordinated creditors of SNS Bank, or

(ii) whose claims are, or are expressed to be, subordinated (whether only in the event of the winding-up (*faillissement of vereffening na ontbinding*) of SNS Bank or otherwise) to the claims of unsubordinated creditors of SNS Bank, but not further or otherwise; or

(iii) who are subordinated creditors of SNS Bank other than those whose claims are, or are expressed to rank, *pari passu* with, or junior to, the claims of the Holders.

Variation, Redemption or Conversion risk

Upon the occurrence of certain specified tax or regulatory events, or the exercise of a call by SNS Bank, the Tier 1 Notes may be redeemed at their principal amount together with any Outstanding Payments (as defined in 'Terms and Conditions of the Tier 1 Notes' under Condition 20, 'Definitions'), subject as provided in 'Terms and Conditions of the Tier 1 Notes' under Condition 7, 'Redemption and Purchases'. In the case of regulatory events, SNS Bank may, with the prior consent of the Dutch Central Bank and in compliance with applicable regulatory requirements, convert or exchange the Tier 1 Notes to another series of securities of SNS Bank or alter the terms of the existing securities so that they are no less favourable to the holders, but are in compliance with the then applicable requirements of the Dutch Central Bank.

SNS Bank has undertaken, subject as provided in 'Terms and Conditions of the Tier 1 Notes', under Condition 7 'Redemption and Purchase', to exercise the issuer call on the Conditional Call Exercise Date (as defined in 'Terms and Conditions of the Tier 1 Notes' under Condition 20, 'Definitions' and as specified in the relevant final terms).

Alteration of terms upon a Regulatory Event

Upon the occurrence of a Regulatory Event (as defined in 'Terms and Conditions of the Tier 1 Notes' under Condition 20, 'Definitions'), the terms of the Tier 1 Notes will be automatically altered so to reflect that they have become Altered Tier 1 Notes (as defined in 'Terms and Conditions of the Tier 1 Notes' under Condition 8 'Alteration of Terms') which for International Financial Reporting Standards ("IFRS") purposes are classified as equity applying the current IFRS standards. See 'Terms and Conditions of the Tier 1 Notes' – Condition 8, 'Alteration of Terms'. If the terms of the Tier 1 Notes are so altered, the Altered Tier 1 Notes that a Holder will then hold, will have different rights than those applicable to the Tier 1 Notes and such rights will be less favourable to Holders than those that apply to the Tier 1 Notes, provided that in a winding-up of SNS Bank the Altered Tier 1 Notes will in any case have the same ranking as the Tier 1 Notes.

No limitation on issuing debt

There is no restriction on the amount of debt which SNS Bank may issue which ranks senior to the Tier 1 Notes or on the amount of securities which SNS Bank may issue which ranks *pari passu* with the Tier 1 Notes. The issue of any such debt or securities may reduce the amount recoverable by Holders on a winding-up (*faillissement of vereffening na ontbinding*) of SNS Bank and may increase the likelihood of a deferral of Payments under the Tier 1 Notes.

Restricted remedy for non-payment

The sole remedy against SNS Bank available to any Holder for recovery of amounts owing in respect of any Payment or principal in respect of the Tier 1 Notes will be the institution of proceedings in the Netherlands for the winding-up (*faillissementsprocedure*) of SNS Bank and/or proving in such winding-up.

Set-off

Subject to applicable law, no Holder may exercise or claim any right of set-off in respect of any amount owed to it by SNS Bank arising under or in connection with the Tier 1 Notes and each Holder shall, by virtue of being the holder of any Tier 1 Note, be deemed to have waived all such rights of set-off.

Uncertainty as to the trading market for the Tier 1 Notes

SNS Bank may apply for listing of the Tier 1 Notes on the Luxembourg Stock Exchange or on any other stock exchange specified in the final terms. The Tier 1 Notes are securities for which there is currently no trading market and for which there can be no assurance of future liquidity. In addition, to the extent that the Tier 1 Notes are traded, prices of the Tier 1 Notes may fluctuate greatly depending on the trading volume and the balance between buy and sell orders. Holders of Tier 1 Notes are urged to contact their brokers to obtain the best available information as to the potential market price of the Tier 1 Notes.
